Details (if other): Cancel. Thanks for telling us about the problem. Return to Book Page. Cubism, Futurism and Constructivism were the three most important movements in early twentieth-century art. They developed in different places and at different times - Cubism grew up in Paris between 1907 and 1914, Futurism was announced in a manifesto from Milan on 20 February 1909, and Constructivism first flourished in Moscow after the Revolution of 1917 - but there were many links between them. The Futurist painters visited the studios of the Cubists in Paris in 1911 and what they saw there profoundly influenced their style.
