For years, those bringing SF into the classroom have had to improvise their course materials from anthologies and collections not designed for

The Science Fiction Research Association (SFRA), founded in 1970, is the oldest, non-profit professional organization committed to encouraging, facilitating, and rewarding the study of science fiction and fantasy literature, film, and other media. The organization's international membership includes academically affiliated scholars, librarians, and archivists, as well as authors, editors, publishers, and readers. In addition to its facilitating the exchange of ideas within a network of science fiction science fiction awards database. Gunn Road to SF 4. <" Anthologies & Collections ">. Prentice Hall Anth of SF&F. Patricia S. Warrick, Charles G. Waugh & Martin H. Greenberg, eds. Harper & Row, 1988. The second SFRA anthology includes stories by many of the same authors, but only three stories repeated from the first book (by Blish, Le Guin, and Smith). Content listings here are based on the compilations in William G. Contento's Locus Index to Science Fiction. The third SFRA anthology is Visions of Wonder, edited by David G. Hartwell and Milton T. Wolf, in 1996, group
