Published 1994 by Scholars Press in Atlanta, Ga . In the Gospel, two nar-ration lines are interwoven: the line of sexual love between people and the line of the highest Love for God. The former is considered as a prototype of the latter. The Gospel is written in artistic literary language and is rich in parables. It was not known to Russian-speaking readers until now. Three previous editions published in thematic collections were made by translators who did not understand the meaning of the text.Â The com-mentaries to the text of the Gospel are typed in small print.Â In the Judaic tradition, God was called Father. And Jesus suggested to His followers that they call only God " Father, not the earthly parent. Philip says that the true followers of Christ now have the True Father.
