Log in or register to post comments. Pages. "If You're Happy and You Know It" is a popular repetitive children's song from the United States. The song has been noted for its similarities to "Molodejnaya", a song appearing in the 1938 Soviet musical film Volga-Volga. The song was published in various places through the decades following the late 1950s, including a volume of "constructive recreational activities" for children (1957), a book of drama projects for disabled children (1967), and a nursing home manual (1966).
