The movement against the United States-backed monarchy was supported by various leftist and Islamist organizations and student movements. Islamism. Political Islam. Islamic fundamentalism. The mass media and academic studies are literally brimming with these terms. However, what we see today as a natural component of international relations, in the 1970s-1980s was an unheard-of and inconceivable phenomenon in world politics.Â Keywords: Iranian revolution, Soviet foreign policy, global Cold War, international pundits, the Third World, Asian and African countries.
