The coastal plains and lower areas of southern Mexico are usually hot and humid. Mexico City, the country's capital, and other inland areas are at higher elevations and are generally drier. Chilies give Mexican cooking a distinctive flavor, which is often enhanced with herbs, such as cilantro and thyme, and spices, including cumin, cinnamon, and cloves. Cheese and eggs round out the diet. Seafood is most common in coastal dishes. American soft drinks, such as Coca-Cola, have become popular in Mexico in recent decades, but fruit-flavored soda drinks are also widely consumed, as are fresh fruit juices, available from street vendors. Sangría, an import from Spain, and beer (cerveza) are also popular beverages. Coffee is normally served spiced and sweet (café de olla). Mexican Cooking for Dummies. Scranton: Courage Books. ^ Martinez, Etienne. "Mexicans in the U.S.A: Mexican-American / Tex-Mex Cousine". Lightmillennium.org. Retrieved 14 October 2017. They are frequently confused with plain quesadillas, due to their resemblance to "quesadillas" sold in Mexico and the United States. (U.S. quesadillas are usually made with flour tortillas rather than molded from masa in the Mexican style). Note however that despite the fact that it looks almost the same as a quesadilla, it is considered a separate dish. American variants of Mexican cooking also add prodigious quantities of cheese, either shredded or melted, to nearly every dish, a practice rare in Mexico itself. The same heavy hand applies to the American use of sauces of all kinds. North of the border portions are larger, plates crammed with dishes that tend to run one into the other. In Mexico, the soft corn tortilla performs the function that bread on the table performs in the United States; it is a side starch.

In Mexican cooking, gorditas are small rolls of pastry stuffed with various ingredients. Gorditas are cooked in a large Mexican style skillet, although they can also be fried in oil. After cooking, gorditas are left to cool and are then cut up to be eaten with vegetables, salsa, sour cream, and lime juice. The most typical filling is pressed chicharrón (pig rind). Mexican cooking is as complex as Chinese, French, Italian, and Japanese cuisine. Vegetables play an important role, the most important being courgette, cauliflower, corn, potatoes, spinach, mushrooms, and tomatoes. Street food in Mexico is known as antojitos (literally little cravings), and is sold in small shops and traditional markets. His award winning Elementary and High School textbooks on World History, World Cultures, and American history have been adopted nationally. He is the author of several books on culinary history, among them, Mexican American Plain Cooking (Nelson-Hall). He also writes for the Chicago daily newspapers, notably his major article on the history of Chicago food for the 150th anniversary of the Chicago Tribune and recent articles on international and ethnic foods (including Korean) for the Chicago Sun-Times. In addition to authoring many encyclopedia articles, Kraig was Senior Editor of the multi-volume Oxford Encyclopedia of American Food and Drink (Oxford University Press, 2004), the new shorter version (2007) and the new full revision (2012).
