I felt this would be a good one to draw out, especially considering how much most people like The Late Philip J Fry . I'd probably put it in with the ranks of my favourite episode Roswell That Ends Well , another time travel story. I chose a part that really stood out to me. Sure, it was one of those episodes with a sad emotional storyline for the most part, but it had some great comedy too, of course. A fun one to do for a lot of reasons. The whole interaction between the three; Fry, Bender and the Professor was just perfect.
