Series: Teaching Texts in Law and Repeal the Second Amendment America Magazine The Second Amendment is about protecting ourselves from the state. fundamentally misunderstands the argument for the right to keep and bear arms, Brett may think that such a notion is an antiquated relic of the 18th century, but then he should be arguing for wholesale repeal of the Second Amendment rather than Revisiting the Constitution: Do We Really Need the Second. This Note argues that rather than continually re-examining historical sources, we. read as outdated and as no longer defining why the right to bear arms exists.³⁴ Emerson, that the Second Amendment does protect an individual's right to this need is long gone and that the Second Amendment should be repealed,

“The Second Amendment emerged out of a context unique to a new nation. When it was ratified, America’s leaders relied upon the militia for local defense, to punish Indians, and control slaves, and in a nation separated from its imperial rivals by the Atlantic,” according to Oberg. Interestingly enough, Oberg also states that no one would lose their right to bear arms if the constitutional provision he is seeking actually went through. “Repealing the Second Amendment would deprive no one of their guns, but it would empower the Congress and state legislatures to do something effectively to end t
