The War of 1812 was a conflict fought between the United States and the United Kingdom, with their respective allies, from June 1812 to February 1815. Historians in Britain often see it as a minor theatre of the Napoleonic Wars; historians in the United States and Canada see it as a war in its own right. From the outbreak of war with Napoleonic France, Britain had enforced a naval blockade to choke off neutral trade to France, which the US contested as illegal under international law. To man the The War of 1812 was a conflict fought between the United States and the United Kingdom and its Native American allies during the course of the concurrent Napoleonic Wars in Europe . Relations between the United States and Britain had deteriorated due to Britain 's naval blockade of all of France 's trade partners (including the USA), the Royal Navy 's "impressment" (forcible recruitment) of American merchant sailors to man the blockade, and Britain's continued support for hostile Native American
