Dickens, Charles John Huffam (1812-1870), probably the best-known and, to many people, the greatest English novelist of the 19th century. A moralist, satirist, and social reformer, Dickens crafted complex plots and striking characters that capture the panorama of English society. Dickens's novels criticize the injustices of his time, especially the brutal treatment of the poor in a society sharply divided by differences of wealth. But he presents this criticism through the lives of characters that seem to live and breathe. Dickens is at his best at depicting low and middle-class life and at inventing unforgettable striking characters. A great many of them have become recognized types in English fiction. Fresh from his success on «Oliver Twist» as a political satirist of note, Dickens turns his sights toward the abuse of Yorkshire schools - a national disgrace - in which children were effectively abandoned for a fee. Neglect, physical abuse, malnourishment, cold, and ill health were endemic.
