
A Book of Prayers: To the Heavens From the Stars

Author Chuck Spinner has very successfully compiled a book of favorite prayers from over 100 well-known celebrities, including Oscar winners, Heisman Trophy recipients, Olympic Gold Medalists, Four-star generals, and even a Monarch.

The book highlights both religion and history and illustrates that athletes, entertainers, and government officials can and do provide models for prayer in one's life. Former Detroit Tiger pitcher Virgil Trucks wrote Spinner that he thinks the author's book of prayers "will be the greatest book ever written."

The author is more comforted by the words of former U.S. Open winner, Scott Simpson, who wrote him that he hoped that "God honors you for honoring Him."

Chuck is currently available for interviews and book signings and may be contacted through his website, ABookOfPrayers.com.

Be careful not to get caught up in the idea that there's a formula we must use....that was the only thing about this book that bothered me. Perhaps not what the author was trying to say, but that's just how it came across to me. Very good and instructive. The following prayer, known as the Prayer of St Francis, is a perfect one to pray when you are seeking to live in peace and joy. This is such an encouraging and uplifting prayer that teaches us how we can live like Jesus Christ and serve those around us, putting others needs first.Â The Prayer of St. Francis - Make Me an Instrument!
