(1986), John Patrick Norman McHennessy: *The Boy Who Was Always Late* (1987) and *Edwardo: the Horriblest Boy in the Whole Wide World* (2006) empathise with the child's-eye-view, depicting the child's behaviour with sensitivity, understanding and wry humour. Edwardo's behaviour is clearly linked to the projections of the adults around him: criticism and derision lead to negative behaviour, while positive expectations and opportunities to learn and grow gradually transform him. The Norman Conquest did have immediate social, political and cultural implications. The new tough foreign aristocracy captured power and lands. By 1100 (12th c.) there were 500 Norman castles in the English countryside. Latin was a language of monasteries, Norman French was now the language of law and authority. Inflected English, spoken differently in the various regions remained the language of the people. His daughter was married to the German Emperor Henry V, and later upon his death to Geophrey of Anjou; the son of Geophrey of Anjou (Angevin) became the first Plantagenet*. * *Planta genista* "Latin for "broom". Henry II (1154-1189) was friendly with Thomas Becket, a humble clerk, who was appointed the archbishop of Canterbury.
