The history of Mexico, a country in the southern portion of North America, covers a period of more than three millennia. First populated more than 13,000 years ago, the territory had complex indigenous civilizations before being conquered and colonized by the Spanish in the 16th century. One of the important aspects of Mesoamerican civilizations was their development of writing (the only region of the Americas where writing existed in precolumbian times), so that Mexico's written history stretches Sort field for winners: Ancient mexico & central america: archaeology and culture history. Winner Description: Evans, Susan Toby; Thames & Hudson, 2004. Title of a book, article or other published item (this will display to the public): Ancient Mexico & Central America: archaeology and culture history. ISBN of the winning item: 0500051275. Susan Toby Evans' Ancient Mexico and Central America is excellent. She uses clear language and good organization to develop a structure study of the archeology of Mesoamerica. She includes many effective examples, with explanations. Understanding the past through archeology is always best viewed as an incomplete picture, with a constant need to incorporate new evidence into re-examining our current concepts and patterns. This text does a good job of presenting current thinking, while revealing that many parts of the puzzle are missing.

A country rich in history, tradition and culture, Mexico is made up of 31 states and one federal district. It is the third largest country in Latin America and. The Mayans, widely considered to be pre-Columbian America's most brilliant civilization, thrived between approximately 250 and 900 A.D. They developed a calendar and writing system and built cities that functioned as hubs for the surrounding farming towns. The ceremonial center of Mayan cities featured plazas surrounded by tall temple pyramids and lower buildings called "palaces." Historians have determined that the Toltec people appeared in central Mexico near the 10th century and built the city of Tula, home to an estimated 30,000-40,000 people.
