Rosa, Shared Living Provider for My Choice Programs, surprised the staff at My Choice Programs with a home made lunch. Straight from her kitchen, she brought us Beef Ribs, Avocado, and Mangó. Mangó is a Dominican traditional side dish served for breakfast, lunch or dinner. Below right, is My Choice Programs very own Intern Adam. Who by the way likes the perks of being an Intern with us! My Choice Programs for Independent Living. The rise of social media has meant that we as a global population are more connected than we have ever been in the history of time. However, our reliance on social media can have a detrimental effect on our mental health, with the average Brit checking their phone as much 28 times a day. The rise of social media has meant that we as a global population are more connected than we have ever been in the history of time. However, our reliance on social media can have a detrimental effect on our mental health, with the average Brit checking their phone as much 28 times a day. While social media platforms can have their benefits, using them too frequently can make you feel increasingly unhappy and isolated in the long run.
