This guide combines literary, dramatic, and cultural approaches to the teaching of Othello. The suggested activities engage students with the language and formal elements of the play: plot, character, setting, and theme. They also help bring the play to life for students by involving them in its dramatic action. In addition, they assist students in understanding the cultural and social context of the play. An array of ideas for visualizing, acting out, reading aloud, and reinterpreting the roles are included. An effort has been made, too, to keep students involved in thinking, reading, writing

Start by marking "Othello: A Guide to the Play" as Want to Read: Want to Read savingâ€¦; Want to Read.Â In its treatment of jealousy and racial tension, it offers an enduring study of universal themes.
