Wim as a Woman Photo of the Day»

Ultimately, the history of Nantucket is as much about the interaction of different cultures as it is the story of what Obed Macy, the island's first historian, described as "the peaceable settlement of a few enterprising families, and their slow progress in wealth and numbers." Just as it has become increasingly difficult to insist that the West was actually "won" by the American cowboy, so is it time to recognize that the island was something more than a spawning ground for Quaker whalers. The view is breath-taking, particularly in fall when the gently rolling heathlands that stretch out in all directions (known locally as the Moors) are tinged with red and yellow. Lear's *A Book of Nonsense* was first published in 1846 and reprinted in 1863. It contained over 100 five-line poems, like this one: There was a Young Lady whose nose, Was so long that it reached to her toes; So she hired an Old Lady, Whose conduct was steady, To carry that wonderful nose. Perhaps the most infamous limerick of all, "There once was a man from Nantucket," though not a drinking song, was published in 1902 in an issue of the *Princeton Tiger*, the university's humor magazine: There once was a man from Nantucket Who kept all his cash in a bucket. But his daughter, named Nan, Ran away with a man And as for the bucket, Nantucket. This clean version was quickly followed by many filthy variations (which I won't include, but you probably know at least one). The Nantucket Whaling Museum is a museum located in Nantucket, Massachusetts. It is run by the Nantucket Historical Association. The Whaling Museum is the flagship site of the Nantucket Historical Association's fleet of properties. Restored in 2005, the Nantucket Whaling Museum incorporates a new, expanded exhibit and program space that connects the 1847 Hadwen & Barney Oil and Candle Factory and the 1971 Peter Foulger Museum. The new structure includes the Gosnell Hall Whale Hunt Gallery, where a
