- C. If a student cancels the enrollment after three business days of signing the contract, but prior to starting classes, a refund of all monies paid to the school less both the nonrefundable application fee of \$50.00 and the registration fee of \$100.00 for all courses offered will be made.
- D. Students who withdraw or terminate after attending three days of class are charged a cancellation or administrative fee of \$150.00 (withdrawal fee not funded with federal funds). This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, books, products, unreturned school property, etc.) will be calculated separately at the time of withdrawal.
- E. If a student on an approved leave of absence notifies the school that he/she will not be returning, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that he/she will not be returning.
- F. If a student does not notify the institution that he/she is withdrawing, formal termination shall be based on monitoring of participation determined by the institution through clock rings, academic counseling or advising, class examinations, tutorials, or other academic related materials. The required date of the refund is determined by counting from the date the withdrawal was determined. However, the refund is calculated based on the student’s last date of attendance.
- G. If a student is expelled by the school, monies due the student shall be refunded within 45 days from the last day of physical attendance.
- H. In type b, c, d, or e official cancellations or withdrawals, the cancellation date shall be determined by the postmark on written notification, or the date said information is delivered to the school administrator/owner in person.
- I. If a Title IV financial aid recipient withdraws prior to course completion, a calculation for return of Title IV funds will be completed and any applicable returns by the school shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program, second to subsidized Federal Stafford Student Loan Program, third to Federal Pell Grant Program, fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by the school and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.

2. Any monies due a student who officially/unofficially withdraws from the institution shall be refunded within 45 days of a determination by the institution that the student has withdrawn without notifying the institution. To determine unofficial withdrawals, the school monitors student attendance at a minimum of once a month (every 30 days).
3. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. When situations of mitigating circumstances are in evidence, at the discretion of the institution, refund to a student may exceed the minimum refund guidelines

RETURN OF TITLE IV FUNDS POLICY

Federal law specifies how schools must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), Federal Perkins Loans and in some cases, certain state grant aid (LEAP/SLEAP), GEAR UP grants, and SSS grants to students. **This policy complies with federal requirements.**

When you withdraw during your payment period or period of enrollment (the school can define these for you and tell you which one applies) the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or the school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro rata basis. For example, if you completed 30% of your payment period or period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you don't incur additional debt. The school may automatically use all or a portion of your post-withdrawal disbursement (including loan funds, if you accept them) for tuition and fees (as contracted with the school). For all other school charges, the school needs your permission to use the post-withdrawal disbursement. If you do not give your permission, you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement. From the date the institution determined the student withdrew, grant funds must be paid within 45 days and loan funds must be paid within 180 days.

Return of Unearned Aid is allocated in the following order:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal Perkins Loan
4. Federal Parent (Plus) Loan
5. Federal Pell Grant

6. Federal Supplemental Opportunity Grant
7. Other Title IV Assistance

There are some Title IV funds that you may be scheduled to receive that you cannot *earn* once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not earn any FFEL or Direct loan funds that you would have received had you remained enrolled past the 30th day.

Title IV Future Professionals reentering within 180 days of withdrawal date will resume at the same status as prior to withdrawal.

If you receive (or the school or parents receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of:

1. Your institutional charges multiplied by the unearned percentage of your funds,

Or
2. The entire amount of excess funds.

The school must return this amount even if it did not keep this amount of your Title IV program funds.

If the school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) must repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an *overpayment*. The amount of a grant overpayment that you must repay is half of the received amount. You must make arrangements with the school or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any refund policy that the school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. The school may also charge you for any Title IV program funds that the school was required to return. If you don't already know what the school's refund policy is, you can ask the school for a copy. The school's requirements and procedures for official and unofficial withdrawal from school are outline below.

FORMAL/INFORMAL WITHDRAWAL

A student officially withdraws when he/she notifies the school's administrative office of his/her intention to withdraw from school. Notification can be given in writing, by phone, or by email.

A student is considered unofficially withdrawn when he/she has been absent for 14 consecutive calendar days from their last date of attendance without notifying the school's administrative office of the intent to withdraw.

The date of determination is the day that the school determines that the student is missing. This day for official withdrawals is the day that the student notifies the school. For unofficial withdrawals, it is the 14th day of consecutive absences. The withdrawal date is the last day the student was physically in attendance.

If a student on an approved leave of absence notifies the school that he/she will not be returning, the withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the school that he/she will not be returning. If the student does not notify the school and does not return as scheduled, the scheduled return date as documented in the student's file constitutes the formal withdrawal date.

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at www.studentaid.ed.gov.

RE-ENROLLMENT POLICY

Purpose Statement: This policy is established to maintain consistent standards for Re-enrollment practices.

Policy: If a student withdraws prior to the completion of their contracted course of study but wishes to apply for re-enrollment within 180 calendar days of their official withdrawal date, they can return to school and resume the same satisfactory academic progress status they had achieved prior to their withdrawal.

If a student's financial aid has been terminated for unsatisfactory academic progress, they will not be paid any additional financial aid until they reestablish their satisfactory academic progress. A \$150.00 re-enrollment fee must be paid before returning to school.

If a student applies for re-enrollment an administrative review process is required and the student will be notified of the decision.

DEBT COLLECTION

Lil Lou's Beauty and Barber College LLC, retains all legal remedies to collect unpaid tuition, fees and other miscellaneous amounts due to the school for extra kit materials, books, products, unreturned school property, etc. All students are informed regularly through their progress

reports of the amounts due the school. It is the student's responsibility to remain aware of obligations to the school and to make payment on a timely basis.

If Lil Lou's Beauty and Barber College LLC. is unable to collect amounts due the school, the debt may be referred to an outside collection agency and/or attorney for collection. All collection costs, including collection agency fees, attorney fees, and court costs will be charged to the student's account. The school and any third party affiliated with the school concerning debt collection will acknowledge and abide by the school's refund policy and Minimum Tuition Adjustment Schedule as outlined in the refund policy.

Failure to pay all amounts due to the school, including collection fees, may result in various actions, including but not limited to withholding services and restricting the student's ability to register for class, participate in graduation, receive a transcript or diploma, or be considered for readmission to the school. The school also reserves the right to report both positive and negative payment histories to credit-reporting agencies.

STUDENT INFORMATION

ATTENDANCE POLICY

The most successful graduates of Lil Lou's Beauty and Barber College LLC are those students who had a perfect attendance record in school. The following policy has been established to be as fair as possible to all students and to work for the benefit of all. A student's hours are scheduled on the date of enrollment. In order for each student to maintain satisfactory academic progress, he or she must meet a minimum requirement of 67% of the scheduled hours. A student who misses 14 consecutive days without an approved leave of absence will be formally terminated from the school.

TARDINESS

Any student not present at the beginning of the scheduled class will be considered tardy. A student tardy at the start of the theory class will not be permitted to attend unless the instructor waives the tardiness. The college retains the right to suspend and/or terminate any student whose attendance is not at the requirements of 67%.

ABSENCES EXCUSED/UNEXCUSED

The school does not recognize or identify absences as excused or unexcused.

MAKE-UP WORK

It is the responsibility of the student to obtain missed assignments from the instructor, make up tests, and to set a time with the instructor for make-up exams, written and practical.

LEAVE OF ABSENCE POLICY

A student who needs to temporarily interrupt training for personal, financial, health, or other extenuating circumstances may request a leave of absence (LOA). A signed request for a leave of absence must be submitted in writing in advance and include the reason for the request. An exception to providing the request in advance may be granted if unforeseen circumstances (i.e. illness, injury, bereavement) prevent the student from providing the request in advance. An approved leave of absence has a beginning and ending date. Students are required to return to school the next open school day following the end date of the LOA. In the case of students who do not return from an approved leave of absence without notifying the school, their scheduled return date is considered the date of withdrawal. The student may be granted several leaves based on different circumstances but in no case can the combination of all leaves exceed 180 days (6 months) during any 12 month period. If a student on an approved leave of absence notifies the school that he/she will not be returning, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the school that he/she will not be returning. Students granted an LOA are not considered to have withdrawn therefore no refund calculation is required due to the absence. Also, no additional charges will be assessed as a result of the LOA. However, a student's contract period will be extended by the same number of days taken in the LOA. An addendum indicating the revised contract end date must be signed by both the student and the school's representative. If a student does not return to the school at the expiration of an approved LOA, the student will be withdrawn and refund calculations will be applied based on the scheduled hours accrued as of the last date of physical attendance. The scheduled date for a refund is based on the determined withdrawal date.

SATISFACTORY ACADEMIC PROGRESS POLICY

Purpose Statement: This policy is established to ensure that all students maintain a standard of performance conducive to progressing toward and meeting graduation requirements.

Policy: This Satisfactory Progress Policy is consistently applied to all students whether participating in Title IV programs or not. A copy of this policy is provided during orientation to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follow:

Barber Course:	450, 900, 1200 Clocked (Actual) hours
Cosmetology Course:	450, 900, 1200 Clocked (Actual) hours
Instructor Course:	450, 900 Clocked (Actual) hours
Manicuring Course	300, Clocked (Actual) hours

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Attendance is a cumulative, quantitative element used to assist in evaluating student progress. Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory progress is stated below. Repetition of course work will count in the quantitative calculation towards the maximum time frame.

COSMETOLOGY/BARBER PROGRAM

Full-Time Enrollment – 1500 Hrs (50 Weeks) Maximum Time Allowed – 2250 Hrs (75 Weeks)

Part-Time Enrollment – 1500 Hrs (75 Weeks) Maximum Time Allowed - 2250 Hrs (113 Weeks)

INSTRUCTOR PROGRAM

Full – Time Enrollment – 1000 Hrs (33 Weeks) Maximum Time Allowed – 1500 Hrs (50 Weeks)

Part - Time Enrollment – 1000 Hrs (50 Weeks) Maximum Time Allowed – 1500 Hrs (75 Weeks)

MANICURING

Full – Time Enrollment – 600 Hrs (20 Weeks) Maximum Time Allowed – 900 Hrs (30 Weeks)

Part – Time Enrollment – 600 Hrs (30 Weeks) Maximum Time Allowed – 900 Hrs (45 Weeks)

The maximum time allowed for transfer students who need less than full course requirements will be determined based on 150% of the contracted hours.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade point average (GPA) of 75% (C) and pass a FINAL written and practical exam prior to graduation. GPA is determined by adding together the cumulative theory score average and the cumulative practical score average and dividing the total by 2 (Cumulative Theory Average + Cumulative Practical Average/2= GPA) at designated evaluation periods throughout

the course or program of study. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 – 100%	A	EXCELLENT
84 – 92%	B	VERY GOOD
75 – 83%	C	SATISFACTORY
70 – 74%	D	UNSATISFACTORY
Below 70%	F	FAILING

NOTE: Laboratory work receives proficiency checks as required by Indiana State Board of Cosmetology and Barber Examiners. However, Laboratory work does not receive a numerical grade and is therefore not a factor in the student's Grade Point Average (GPA).

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic progress determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student still has not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by next evaluation. If at the end of the probationary period, the student still has not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS

Students may re-establish satisfactory progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period.

INTERRUPTIONS AND WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Hours completed prior to the interruption or withdrawal will count toward the allowable maximum time frame for course completion.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory progress, the student may appeal the determination within 10 calendar days. Reasons for which students may appeal a negative progress determination may include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student's file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid be reinstated, if applicable. If a student does not prevail upon appeal, Financial Aid will not be reinstated.

COURSE INCOMPLETES AND NONCREDIT REMEDIAL COURSES

Course incompletes and noncredit remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

STUDENT RECORDS (RIGHT TO PRIVACY)

Purpose Statement: In order to protect the privacy of a student's educational records and to meet standards required by The National Accrediting Commission of Career Arts & Sciences, INC (NACCAS) Lil Lou's Barber College adheres to and complies with the provisions of the Federal Education Rights and Privacy Act of 1974.

COPYRIGHT ENFRINGEMENT POLICY

Purpose Statement: This policy is established to convey to students the school's policies and sanctions related to copyright infringement as well as the civil and criminal penalties that may be imposed.

Policy: Staff and or students violating Federal Copyright laws will be subject to disciplinary actions by the school up to and including administrative withdrawal or expulsion from school, and/or termination of employment. In addition, civil and criminal penalties may be imposed.

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement. This includes unauthorized peer-to-peer file sharing using the school's information technology system.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages affixed at not less than \$750 and not more than \$30,000 per work infringed. A court can, in its discretion, also assess costs and attorneys' fees. For details, see Title 17, United States Code, Sections 504 and 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

PRIOR YEAR CHARGES POLICY

Purpose Statement: This policy is established to allow use of current-year funds to satisfy minor prior award year charges for tuition and fees, room, or board (and with permission, educationally related charges) for a total of not more than \$200. Prior-year charges in excess of \$200 cannot be paid with current-year funds. RE: 34 CFR 668.164(d)(2), DCL GEN-09-11

Policy: Effective July 1, 2008, institutions are allowed a maximum of \$200.00 from prior year charges that may be paid with current year funds. In general, FSA (Financial Student Aid) funds may only be used to pay for student's costs for the period for which the funds are provided. However a school may use current-year funds to satisfy prior award year charges not to exceed \$200.00 for tuition and fees, room, or board and with permission, educationally related charges. At Lil Lou's Beauty and Barber College LLC, individual student written consent will be obtained prior to use of current-year funds to pay any prior year charges.

Current Year

The costs of education and other services a school provides a student are associated with the "year" for which the education and services are provided. At Lil Lou's Beauty and Barber college LLC a year is considered 900 clock hours.

- If a student's aid package includes a Direct Loan, the "year" is the loan period. In this scenario, costs for the current year are defined as charges for education and services the institution will provide during the current loan period for which the school originates a Direct Loan.
- If the student does not have a Direct Loan, the "year" is the award year, and costs for the current year are defined as charges for education and services the school will provide during the current award year.

Prior Year

- If the student's aid package includes a Direct Loan, prior year means any loan period that ended prior to the start of the current loan period.
- If the student's aid package does not include a Direct Loan, prior year means any award year that ended prior to the start of the current award year.

FSA funds may not be used to repay a student's loan. Loan payments are not part of the cost of attendance for the period of enrollment.

POLICY STATEMENT ADDRESSING CAMPUS SEXUAL ASSAULT

Lil Lou's Beauty and Barber College LLC provides ongoing educational information and programs regarding sexual assault and prevention of sexual assault. This information is introduced during new student orientation and followed with speaker presentations during the year to discuss topics like safety, sexual assault prevention, and rape assistance and awareness. Literature on rape education and risk reduction is available upon request.

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. You should then obtain necessary medical treatment. It is crucial for victims of sexual assault to report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a school official (Manager, Administrator, or Instructor). Filing a report with a school official will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from school officials. Filing a report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Reporting a Sexual Assault

When a sexual assault victim reports the assault to a school official, the Gary police Sex crime unit will be notified as well at 219-881-1211 or 219-881-1218. The victim may choose for the investigation to be pursued through the criminal justice system. If the victim chooses, he/she may be assisted by administration in reporting the assault to the proper law enforcement authorities. After making the report, the victim is not obligated to continue with legal or school disciplinary action.

Victim Rights

A person who reports having been sexually assaulted has the right to:

1. Request a female or male officer to take the report of the event.
2. Request to have his/her identity protected, consistent with legal requirements.
3. Be treated professionally and with sensitivity, regardless of the student's race, ethnicity, religion, gender, or sexual orientation of the victim or perpetrator.

Campus Disciplinary Action Cases of alleged sex Offenses regarding rape, acquaintance rape or other forcible or non-forcible sex offenses.

Upon learning of possible sexual violence involving a student, regardless of whether the victim chooses to report the incident to law enforcement, Lil Lou's Beauty and Barber College LLC will take immediate action to investigate or otherwise determine what happened. Such action may include, but is not limited to, speaking with the alleged victim, the alleged perpetrator, and other potential witnesses as appropriate and reviewing other evidence if available.

The alleged victim and alleged perpetrator will each be interviewed separately and each will be allowed to have another individual who has had no formal legal training to accompany them during disciplinary proceedings. However, the other individual who accompanies the victim or perpetrator may not advocate during the interview. Both parties will be able to provide evidence and suggest other witnesses to be interviewed. The investigator will interview other relevant witnesses and review any other available relevant evidence. Both the alleged victim and alleged perpetrator must be informed in writing of the outcome of any institutional disciplinary proceeding that is brought alleging a sex offense. For the purpose of this paragraph, the outcome of a disciplinary proceeding means only the institution's final determination with respect to the alleged sex offense and any sanctions that is imposed against the alleged perpetrator. Sanctions which may be imposed following a final determination may include but are not limited to alteration of class schedules, training, disciplinary probation, loss of privileges, suspension, or expulsion in the case of students, or coaching, training, written warnings, demotion, or termination in the case of employees. Suspension or expulsion are the standard recommended sanctions if a student is found guilty of an incident of sexual assault or other acts of violence. Suspension or termination are the standard recommended sanctions if an employee is found guilty of an incident of sexual assault or other acts of violence. These procedures will be followed regardless of where the alleged sex offense occurred (i.e. on or off campus).

The Title IX Coordinator will weigh the evidence presented and decide whether additional evidence is necessary for consideration. The Title IX Coordinator will determine whether it is more likely than not that a violation occurred. The standard of evidence that will be used is preponderance of the evidence. This is a burden of proof in which it is determined to be more likely than not, or at least 51% certain, that the violation has in fact occurred.

The institution reserves the right to convene a Determination Panel to review the evidence and make the determination in appropriate circumstances.

Pending a final determination, the Title IX Coordinator or designee will take appropriate interim measures. These measures may include, but are not limited to, the imposition of a no-contact order and/or employment, transportation, residence, and academic modifications. The Title IX coordinator or designee may limit a student or employee's access to certain school facilities or activities pending resolution of the matter. The Title IX Coordinator may impose an Interim Suspension on the alleged and perpetrator pending the resolution of an alleged violation when the Title IX Coordinator determines, at their sole discretion, that it is necessary in order to protect the safety and well-being of members of the Institution's community.

The Title IX Coordinator and all investigators will receive annual training related to domestic violence, dating violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

Students who violate any federal, state or local laws are subject to criminal charges. In addition to any criminal remedies that are available, an alleged or arbitrated perpetrator who is a student of Lil Lou's Beauty and Barber College LLC may be subject to penalties or sanctions from the school.

Appeal Procedures

If the accuser or the accused is a student, he or she may appeal the outcome determination by written appeal to the Title IX Coordinator within 15 days of notification of the outcome. There are no appeal rights for accused employees. An appeal may be made based on only one or more of the following reasons:

- New and significant evidence appeared that could not have been discovered by a properly diligent accused student or accuser before or during the original investigation and that could have changed the outcome.
- The finding is Arbitrary and Capricious: Reading all evidence in favor of the non-appealing party, the finding was not supported by reasonable grounds or adequate consideration of the circumstances. In deciding appeals, the Title IX Coordinator is allowed to make logical inferences in benefit the non-appealing party.
- Disproportionate Sanctions: The sanctions were disproportionate to the findings.

The appeal shall consist of a written statement requesting review of the conduct decision or sanction and explaining in detail the basis for the appeal. The Title IX Coordinator or, designated representative, will notify the non-appealing party of the request for an appeal. Within five working days of receipt of the notice, the non-appealing party may submit a written statement to be included in the case file. The appeal may proceed without the non-appealing party's written statement if it is not submitted within the designated time limit. The Title IX Coordinator will endeavor to make a determination of the appeal within 15 days of receipt. The Title IX's decision is final.

Information on Registered Sex Offenders

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The law requires sex offenders to register

With local enforcement agencies and to indicate if they are either enrolled or employed at an institution of higher education. Lil Lou's Barber College is required to inform the campus community of sex offender websites and have them available for students and staff. Students and staff should refer to the National Sex Offender Registry at www.offendexdata.com and /or www.city-data.com/so/Indiana.html. The CSCPA further amends the Family Education Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.
