Education

PhD. in Anthropology, August 1972, Columbia University.
Dissertation: Prehispanic Urbanism at Tzintzuntzan, Michoacan.

A.B. in Anthropology, June 1967, Barnard College, Columbia University

Employment History

1996 - 2012 Professor of Anthropology, Department of Anthropology, Michigan State University, East Lansing, Michigan.

1991 - 1996 Associate Professor of Anthropology, Department of Anthropology, Michigan State University, East Lansing, Michigan.

1986 - 1991 Assistant Professor of Anthropology, Department of Anthropology, Michigan State University, East Lansing, Michigan.

1985 - 1986 Visiting Assistant Professor of Anthropology, Department of Anthropology-Sociology, State University of New York, Oswego.

1975 - 1985 Assistant Professor of Anthropology (Adjunct), Department of Anthropology, State University of New York, Plattsburgh.

1973 - 1977 Assistant Professor of Environmental Science, Residential research semester-Miner Center, Institute for man and Environment, State University of New York, Plattsburgh.

1976 - 1981 Associate Director Research project: Development of the Prehistoric Tarascan State.

1972 - 1973 Instructor in Anthropology, Department of Sociology/Anthropology, State University of New York, Plattsburgh.

1972 Field director Lerma River Basin Survey, Acambaro, Mexico.

1970 Teaching assistant Department of Anthropology, Columbia University.

1969 - 1970 Teaching assistant Department of Anthropology, Barnard College, Columbia University.

1967 Laboratory assistant Department of Anthropology, Columbia University.

1966 Laboratory assistant Department of Anthropology, Columbia University.

1965 Staff archaeologist Highway salvage program, State of California.

1965 Crew chief UCLA Archaeological Field School, Chico, California.

Field and Laboratory Experience

2012 – 2013 Cacao Use and Function in Prehispanic Tarascan Pottery. In collaboration with A. Daniel Jones, Director, MSU Mass Spectrometer Lab.

2009 – 2010 Human Ecodynamics and the Formation of the Tarascan State in the Lake Pátzcuaro Basin, Mexico, NSF Archaeology Program, Key Senior Investigator, Expansion of pilot project to full coverage survey in SE portion of Lake Pátzcuaro Basin, Michoacan, Mexico and coring and trenching of former lake floor.

2006 Human Ecodynamics and the Formation of the Tarascan State in the Lake Pátzcuaro Basin, Mexico, with Co-Director Christopher T. Fisher, Colorado State University, supported by the Heinz Foundation. Survey and test coring in southeast portion of the Lake Pátzcuaro Basin, Michoacan, Mexico designed as pilot project to test results of research on western side of the Basin.

2001- 2006 Emergence of the Tarascan State: Survey and excavation at Erongarícuaro, Michoacan, Mexico. Survey and excavation in secondary center under the Tarascan State took place May 15-July 10 2001. Included excavation of Late Preclassic and Classic Period residential deposits (Loma Alta phase- 100 BC-AD 550) and Late Postclassic elite residential/ritual deposits (AD 1300-1525). Supported by Heinz Foundation Research Grant and Wenner-Gren Research Grant. The collection was exported for 2 years supporting laboratory research in McDonel Hall. The return of the

collection and laboratory research took place in Michoacan, Mexico, May 21, 2003-July 6, 2003. An expansion of the excavations and use of GPR took place May 15, 2005-July 15, 2005, with final laboratory analysis in 2006.

2002 Consultant field project: Cliff Paintings and pyramids of Paranguaricutiro, Michoacan, Mexico. Dr. T. Gabany-Guerrero, Director. Involved two weeks field research June 2002 and identification of artifacts and subsequent evaluation of reports.

1994 - 1998 Emergence of the Tarascan State: the Urichu, Xaracuaro, and Pareo polities. Excavation, survey, and laboratory analysis of material from late Preclassic-Protohistoric sites in the southwest zone of the Lake Pátzcuaro Basin, Michoacan, Mexico.

1990 - 1992 Development of the Tarascan State: excavations at Urichu. Site survey and excavations at secondary administrative center in Lake Pátzcuaro basin, Protohistoric, Postclassic, Classic, Michoacan, Mexico.

1989 Archaeoastronomy at Ihuatzio, Lake Patzcuaro Basin, Michoacan, Mexico.

1986 - 1991 Director. Obsidian sources of the Prehispanic Tarascan State. Department of Geological Sciences, Michigan State University.

1980 - 1981 Co-director. Development of the Tarascan State: Phase 2 reconnaissance, Protohistoric and Postclassic, Michoacan, Mexico.

1976 - 1981 Associate director. Development of the Tarascan State: The Lake Patzcuaro Basin, Protohistoric, Historic and Modern, Michoacan, Mexico.

1972 Field director and ceramic consultant. Lerma River Basin survey as part of The Aztec/Tarascan Frontier: the Acambaro Focus (director: S. Gorenstein), Preclassic, Classic, Postclassic and Protohistoric, Guanajuato, Mexico.

1970 Director. Urbanization at Tzintzuntzan, dissertation research, Postclassic and Protohistoric, Michoacan, Mexico.

1968 - 1969 Graduate field assistant. Early Man in the Andes (director E. P. Lanning), Paleoindian (Lithic) through Historic, Atacama Desert, Chile.

1966 Laboratory assistant. Reanalysis and classification of Paracas burials from Columbia University expedition to Peru, 1951-1952.

1965 Field and laboratory crew. Highway salvage program, prehistoric shell middens, Monterey, California.

1965 Crew chief. UCLA Archaeological Field School, prehistoric and historic pit house villages, hunting camps, Oroville dam survey, Chico, California.

1964 Student. UCLA Archaeological Field School, prehistoric Puebloid village, Cedar City, Utah.

Awards, Fellowships and Grants

2008 Collaborative Research: Water, politics, and the built environment: Human Ecodynamics and the Origin of the Tarascan State in the Lake Pátzcuaro Basin, Michoacán, Mexico, NSF Archaeology Program, Key Senior Investigator, March 2009-March 2010. Total grant: \$212,705; MSU subcontract: \$45,903.

2006 The Social Evolution of Tarascan Civilization. Ecology, Power, and History in Prehispanic Highland Michoacán, Mexico. MSU IRGP, Scholarly and Creative Activities, Small Grant, Budget \$24,590 for August 16, 2007-May 15, 2008.

2006 Human Ecodynamics and the Formation of the Tarascan State in the Lake Pátzcuaro Basin, Mexico, Heinz Foundation, \$10,000. Co-PI Christopher T. Fisher, Colorado State University.

2002 Special Foreign Travel Grant, International Studies and Programs, MSU, for attendance at conference on West Mexican prehistory in Guadalajara, Mexico, October 2002.

2000 Emergence of the Tarascan State: Survey and excavation at Erongarícuaro, Michoacan, Mexico; Heinz Foundation; \$7960.00.

2000 Emergence of the Tarascan State: Survey and excavation at Erongarícuaro, Michoacan, Mexico; Wenner-Gren Foundation for Anthropological Research; \$14,110.00.

2000 From Periphery to Core: The Emergence of the Prehistoric Tarascan State; Dumbarton Oaks Residential Fellowship; \$12,317.50.

1996 Undergraduate participation in scientific research, supplement to National Science Foundation Grant, Summer 1996.

1995 Emergence of the Tarascan State: the Urichu, Xaracuaro and Pareo polities, National Science Foundation. July 1995-June 1997.

1994 Emergence of the Tarascan State: Excavations at Urichu, National Endowment for the Humanities. May 1994-May 1997.

- 1993 Michigan State University. Dept. of Anthropology Outstanding Teaching Award
- 1992 All University Research Grant, Michigan State University. Emergence of the Tarascan State: Technical Analyses. January-June 1992.
- 1992 ISP Global Competence Grant, Michigan State University. Emergence of the Tarascan State: Field Lab Analysis. June-July 1992.
- 1991 National Geographic Society, Supplementary Research Grant. Summer 1991.
- 1991 Michigan State University, National and International Diversity Undergraduate Course Development Grant. Anthropological Perspectives on Gender 1991-1992.
- 1990 Michigan State University Teacher-Scholar Award.
- 1990 All University Research Support grant - Michigan State University.
- 1989 Wenner-Gren Foundation Regular Grant-In-Aid. Excavations at Urichu. 1990-1992.
- 1989 National Geographic Society Research Grant. Emergence of the Tarascan State: Excavations at Urichu. 1990-1991.
- 1988 Special Foreign Travel Fund Award, International Studies and Programs, Michigan State University.
- 1988 All University Research Initiation Grant. Obsidian sources of the prehispanic Tarascan State.
- 1987 Michigan State University. Dept. of Anthropology Outstanding Teaching Award
- 1986 All-University Research Support grant - Michigan State University.
- 1982 American Council of Learned Societies. Travel Grant.
- 1976 - 1980 National Science Foundation, Anthropology Division, research grant. Associate Investigator.
- 1976 - 1980 National Endowment for the Humanities, research grant. Associate Investigator.
- 1972 Ford Foundation Fellow (summer).

1970 - 1971 Woodrow Wilson Doctoral Dissertation Fellowship.

1970 Wenner-Gren Foundation for Anthropological Research, predoctoral grant.

1970 Columbia University Travel Fellowship.

1970 Latin American Institute, Columbia University, summer field research grant.

1967 - 1972 Faculty Fellow, Columbia University.

1967 - 1968 Woodrow Wilson Graduate Fellowship.

1967 A. B. in Anthropology, magna cum laude with honors in anthropology, Barnard College, Columbia University.

1967 Phi Beta Kappa, Barnard College, Columbia University.

1966 Barnard College Undergraduate Summer Research Grant.

1963 - 1967 New York State Regents Scholarship.

Publications

(1) Works in progress:

Ceramics, Social Status, and the Tarascan State Economy. *Cultural Dynamics and Production Activities in Ancient Western Mexico*. Eduardo Williams and Blanca Maldonado, editors. British Archaeological Reports International Series, Oxford, UK (2015).

Michigan State University Museum, collection identification and acquisition of Mesoamerican and Andean materials, 1986 to present.

American Anthropological Association, Society for Latin American Anthropology
Contributing editor, Anthropology Newsletter, 1990 -1992.

American Anthropological Association ,Archaeology Division,
Nominations Committee, 2003-2007.
Chair, Kidder Award Committee 2007-2008

Society for American Archaeology,
Committee on the Americas, Member, 2008-2013.

Administrative experience

Michigan State University:

University Committee on Faculty Tenure. 1990-1992.
Judicial panel to hear dismissal for cause case. March 1992-August 1992.

University Committee on the Honor's College. 1997-1999.
University Committee on Honors Programs, Fall 2001-Spring 2003

Search Committee, Department of Art, 3-D Ceramics position. Spring 1995.

Center for Latin American & Caribbean Studies
Undergraduate curriculum committee. 1987-1988.
Advisory panel: Columbian Quincentennial Grant. 1989-1992.
Title VI advisory panel. 1991-3
Advisory Board: 1996-1998. 2001-2003.

Department of Anthropology
Admissions Committee, 1994-1995; 1996-1997.
Advisory Committee, 1987-1988; 1992-1994.
Assistant to the Chair, fall 1995.
Awards Committee, 2001-2002.
Colloquia Committee, 1986-1987; 1988-1990 (chair)
Curriculum Committee, 1991-1992.
Graduate Review Committee, 1989-1990.

Honor's College Advisor, 1994-
Representative to the UCGIS, 1994-
Search Committee, American minority-Latino position (Joint with Julian Samora
Institute), 1996-1997.
Search Committee, ethnicity position, 1996-1997.
Search Committee, Latin American ethnography position, 2005-2006.
Undergraduate Curriculum and Programs Committee, Chair, 1997-2000,
2003-2010.

College of Social Science

Ad Hoc Committee to select Undergraduate Research Awards. Spring 1995.
College Research Counsel Faculty Group, 1998.
Committee on Comparative-International Research, 1988-2000.
Committee on development of an Introduction to Social Science course.
1988-1989.
ISS Commission, Spring 2003-2004.
Promotion and Tenure Advisory Committee, 1997-1999, 2003-2004, 2005-7.
Faculty grievance panel: Spring 2010 (2 cases).

Faculty Grievance Board to hear Gross vs. Ross-Lee (May 1989).

Other:

Latin American Studies Committee, SUNY Plattsburgh. 1972-1980. Development and
implementation of multidisciplinary major and minor.

Women's Studies Committee, SUNY Plattsburgh. 1976-1980. Program development
and guest lecturer.

Environmental Science Program, Institute for Man and Environment, SUNY Plattsburgh.
1973-1977. Development of environmental science major and administration of
residential research semester.

Chair, Panel on Current Research in Mesoamerica. Asia, Africa and the Americas: A
Conference on the teaching of research, SUNY - State Education Department, October
29-30 1982, Albany.

Teaching areas

General anthropology (undergraduate level)

Introduction to anthropology
Introduction to human evolution
Ecological anthropology
Ethnology of Mesoamerica
Latin American communities

Cross-cultural perspectives on women
Cultural evolution

Archaeology (undergraduate and graduate level)

Introduction to archaeology
Archaeological theory
New World prehistory
Civilizations of the prehispanic Americas
Mesoamerican prehistory
Andean prehistory
The evolution and ecology of civilizations
Women in prehistory/gender and archaeology
Ceramic analysis (classification and interpretation)

Interdisciplinary programs

Latin American Studies (prehispanic past, modern communities, urbanization, social change, seminar in human ecology)

Women's Studies (women in prehistory, biological basis of sex roles, Latin American women)

Human Ecology/Environmental Science (the human niche, the ecology of civilization, non-Western human ecology, adaptation and evolution)

Professional memberships

American Anthropological Association (fellow, 1969-)
Latin American Anthropology Group, Society for Latin American Anthropology (1985-2004)
Archaeology Division of AAA (1985-)
Society For American Archaeology (fellow, 1967-)
American Association for the Advancement of Science (1970-1985)
Current Anthropology (associate, 1970-)
Society for Archaeological Sciences (1978-1991)
Association for Field Archaeology (1985-)
Michigan Archaeological Society (1988-)

Public lectures/community service

2003 Radio, interview by Todd Mundt, July 14, 2003, aired on July 22, 2003.

2001 Presentation to the University Club, MSU. 'An archaeologist looks at modern Mexican migration', October 2, 2001.

- 1996 Catalog of archaeological remains excavated from Urichu, Mexico, and deposited in the Museo Michoacano, Morelia, Mexico. The catalog is for use in conservation and exhibition of the collection in Mexico. **Registro de piezas arqueológicas entregadas al Museo Michoacano del Centro del INAH-Michoacán. Proyecto Desarrollo del Estado Tarasco: Los señoríos Urichu, Xaracuaro, y Pareo.** 194 pp.
- 1994 Preparation of photographs and documentation for an exhibit in the primary school of Urichu, Mexico of research conducted during 1990-1994. **PROYECTO URICHU 1990-1994, EXHIBICION DE FOTOGRAFIAS Y MAPAS, LA ESCUELA PRIMARIA DE SAN FRANCISCO URICHU, MICHOACAN, MEXICO.** (The exhibit took place in June 1995 following the primary school graduation, at which I was official guest.)

Helen Perlstein Pollard. American academic. Biography Lists. Helen Perlstein Pollard (born 1946) is an American academic ethnohistorian and archaeologist, known for her publications and research on pre-Columbian cultures in the west-central Mexico region. Pollard's particular area of expertise is the study of the Tarascan state, a tributary state that flourished in the Postclassic period of Mesoamerican chronology in a region largely coinciding with the modern-day Mexican state of Michoacán. Drawing from her extensive archaeological fieldwork conducted in the Helen Pollard. Sun, croissants and fine wine. Nothing can spoil the perfect holiday.Â Helen Pollard. Laura Matheson is a natural at avoiding romance, so when she is drawn to mystery guest Daniel Stone while helping out at her friends' hotel in Portugal, she assumes all she needs is a little extra willpower. Daniel is at the hotel on business.
