Date of birth: 13 June 1951
Place of birth: Verona, Italy
Citizenship: Italian

**Director of Education and Communication &
Past General Secretary of FIGO
University of Perugia, Perugia, Italy.**

Prof. Gian Carlo Di Renzo is currently Professor and Chair at the University of Perugia (2004 -), and Director of the Reproductive and Perinatal Medicine Center (1996 -), former Director of the Midwifery School (2004-2016), University of Perugia, in addition to being the Director of the Permanent International and European School of Perinatal and Reproductive Medicine (PREIS) in Florence (2012 -) .

After graduation cum laude at Medical School of the University of Padova (1975) , he was a research fellow at the Universities of Verona, Messina and Modena. After training at CHUV in Lausanne (Switzerland), at UCH in London (UK), at the University of Texas in Dallas (USA), and at the Catholic University in Nijmegen (NL) (1977-1982), he became a senior researcher at the University of Perugia. Since 2004 he is Professor and Chairman of the Department of Obstetrics and Gynecology at the University of Perugia., Chairman of the Midwifery School in the year 2004 to 2016, of the Ob Gyn Resident’s program since 2008 and of the PhD Program in Translational Medicine since 2012. He was general Secretary of the Italian Society of Perinatal Medicine, President of the Italian Society of Ultrasound in Obstetrics and Gynecology, Secretary-Treasurer of the European Association of Perinatal Medicine, President from 2000 to 2002, 2002-2008 Executive Director and Chairman of the Educational Committee, Vice President of the World Association of Perinatal Medicine (2007-2013) . He is founding member of the World Association of Perinatal Medicine (1991-), of the International Society of Ultrasound in Obstetrics and Gynecology (1991-), and of the International Academy of Perinatal Medicine (2005-). He is honorary member of the Obstetrics and Gynecology Societies of Hungary, Argentina, Ecuador, Romania, Russia, Tartastan, Armenia, Georgia, Czech Republic, Spain, the Croatian Society of Ultrasound in Medicine, the Spanish and the Ibero American Societies of Prenatal Diagnosis and the Romanian Academy of Sciences. Since 2011 he is member of the Russian Academy of Sciences. He has been awarded the Gold Medal of the Bangladesh Society of Ob/Gyn (1992), the Maratea Children Prize (1994), the Foundation Corradi Prize for “Scientific Research” (1998), the Liley Medal from the “Fetus as a Patient” International Society (2006), the Allan Chang Visiting Professorship (Hong Kong, 2007) and the Maternity Prize of the European Association of Perinatal Medicine in Istanbul (2008). He has been awarded four Doctor Honoris Causa from the Purkinje University of Prague (2002), from the University of Athens (2008), from the Iuliu Hatieganu University of Medicine and Pharmacy of Cluj-Napoca, Romania (2008) and from the University of St Petersburg (2013). He has been appointed Honorary Professorships at the Faculty of Medicine of the University of Buenos Aires, Argentina (2010), the State University of Moscow, the Siberian University of Tomsk, Russia (2011) the International University of Dubrovnik (Croatia, 2011) the University of Moldova

in Chisinau (2012) the University of Serbia in Belgrade (2011) the Kuban State University of Krasnodar, Russia (2014), the Cornell University of New York (2010- 2014), the Kansas City University Medical Centre (2011) the Catholic University of Porto Alegre (Brasil, 2015), the Moscow Institute of Physics and Technology, State University (2015). He was honorary consultant at the Hamad Women Hospital in Doha, Qatar, and at the Al-Adan Hospital in Kuwait City, Kuwait (2008-2012). He has been member of the Advisory Board of the Ian Donald School of Ultrasound (2008-2015).

Since 2011 is Fellow ad eundem of the Royal College of Obstetricians and Gynaecologists (London) (FRCOG) and since 2012 is Hon Fellow of the American College of Obstetrics and Gynecology (FACOG) and from 2016 Hon Fellow of the Indian College of Obstetrics and Gynaecology (ICOG). From 2012 to 2018 he served as Honorary Secretary General of FIGO (London) . In 2018 he has been appointed Director of the Department of Education & Communication of FIGO. Since 2014 he is member of the Advisory and Scientific Boards of the Foundation March of Dimes (USA). Since 2017 he has been nominated as a member of the WHO “Steering Committee on Maternal and Perinatal Health”.

He is the Founder and President of the International Society on Cocoa and Chocolate in Medicine (ISCHOM, 2012-) and Secretary of the New European Surgical Academy (NESA, 2010-).

He has organised more than 300 national and international congresses and courses : XI European Congress of Perinatal Medicine (Rome, 1988), VII International Congress of ISSHP (Perugia, 1989), 2nd World Congress of Perinatal Medicine (Rome, 1993), 74th National Congress of the Italian Society of Obstetrics and Gynecology (Perugia, 2002), International Forum on “Birth” organised with Prof Roberto Romero from NIH-NICHD (Rome 2005, 2° ed. Chicago, 2011, 3° ed. Fortaleza 2015, 4° ed. Beijing 2016, 5° ed. Venice, 2018), the 8th World Congress of Perinatal Medicine (Firenze, 2007), the series of International Congresses on “Twins” (2009 Venezia, Firenze 2012, Budapest 2014, Madrid 2017, Hong Kong 2019), the 22nd and the 24th European Congresses of Perinatal Medicine (Granada, 2010, Firenze 2014), the Expert tours of the European- Chinese Perinatal and Reproductive Network (China, 6 editions: 2010-2011-2012-2013-2014-2016), XXVII International Congress “Fetus as a Patient” (Taormina, 2011), the International Congresses of ISCHOM (Firenze, 2014, Barcelona 2015, Modica 2019), the 10th World Congress on Maternal and Neonatal Health (WHO, Rome 2011). He is the co-President of the Global Conferences on “Maternal Infant Health” (WHO- FIGO, Firenze, 2016, London, 2019) . From 1983 al 1998 he was co-Director of the International School of Perinatal Medicine at the Centro Ettore Majorana in Erice. From 1997 to 2006 he was co-Director of the European School of Perinatal Medicine. He is co-founder and co-President (with Moshe Hod) of the Biennial International Congresses on “Diabetes & Pregnancy” (9 editions, last in Barcelona 2017, next Firenze 2019). Scientific President of the 10th World Congress of Perinatal Medicine (Moscow, Russia, 2013). He is Founder and Director of the International Permanent School of Perinatal and Reproductive Medicine (PREIS School), endorsed by the European Society of Perinatal Medicine, WHO, FIGO, Emergency and other International Societies and based at Istituto degli Innocenti in Firenze (2012-). He is chair of the Organising Committee of the World Congresses of Maternal Fetal and Neonatal medicine (1st London, 2016, 2nd London 2019). From 1996 he is Founder and Editor-in-chief of the “Journal of Maternal Fetal and Neonatal Medicine”, for Taylor and Francis Pbl, UK, and since 1999 he is corresponding editor of the American Journal of Obstetrics and Gynecology . He is international reviewer of more than 20 international peer reviewed Journals. In 2018 he was invited by the Health Ministry of PR China to act as honoured Editor in Chief of the new Chinese journal in English language “Maternal Fetal Medicine”.

His scientific production comprises over 1200 papers of which more than 400 in referred international journals and 82 books. He is author of the major Italian treatise of Obstetrics and

Gynecology for Verduci Pbl., Rome, 2005 (2 vol, 2400 pages, at its 2nd edition 2009). He also coauthored with U. Simeoni the Atlas “The Neonate and Perinate” (Informa , Oxford, 2006) with A. Malvasi the textbook-atlas on “Cesarean Delivery” (Taylor and Francis, London, 2016), with A. Malvasi and A. Tinelli the series of textbooks on “Management and Therapy of Pregnancy Complications” (Springer Pbl, 2016-2017) and the textbook on “Diabetes and pregnancy” (with M. Hod, A. De Leiva, O. Langer for Informa, Oxford now at 3rd ed, 2016). He has been invited as speaker to more than 1500 international and national congresses, meetings and courses in more than 110 different countries. He writes and speaks English, Spanish and French fluently.

PRESENT POSITION

Chairman of the Department of Obstetrics and Gynecology at the University of Perugia (2004-)

Chairman of the Section of Obstetrics and Gynecology and Dean of the Faculty of Obstetrics and Midwifery (2003 – 2016)

Director of Perinatal and Reproductive Medicine Centre, University of Perugia (appointed 2002-)

Head of Perinatal Research Laboratories of the Department of Obstetrics and Gynaecology, University of Perugia (appointed 1983 -)

Professor of Obstetrics and Gynecology and Prenatal Medicine, the University of Perugia (appointed 1992)

EDUCATION

High School: Graduation from Gymnasium-Lyceum *Scipione Maffei* in Verona, Italy

1969-1975 Medical School, the University of Padua, Italy - Graduation *cum laude*

1975 M.D. Dissertation Thesis Title: *Anatomical and functional investigation of the cardio-esophageal junction* (Prof. R. Vecchioni, tutor)

1975-1979 Postgraduate School of Obstetrics & Gynecology, the University of Messina (Italy)

1979 PhD in Perinatal Medicine at the University of Messina (Italy). Thesis: *Organization of childbirth and psychological environment in the labor ward* (Prof. G. Montanari, tutor)

PROFESSIONAL EXPERIENCE

1975-1979 Resident in the Department of Obstetrics and Gynecology, the University of Messina, Italy

1977 Research Fellow, Department of Obstetrics and Gynecology, the University of Lausanne, Switzerland (tutor: Prof. H. Bossart)

1978 Research fellow at the Department of Obstetrics and Gynecology, University College Medical School, University of London (tutor: Prof. D.V.I. Fairweather)

1979-1980 Postdoctoral Fellow in the Department of Biochemistry, the University of Texas Health Science Center at Dallas, Texas (tutor: Dr. J.E. Bleasdale)

1980 Research Fellow in the Department of Obstetrics and Gynecology, Catholic University, Nijmegen, The Netherlands (tutor: Prof. T.K.A.B. Eskes)

1980-1982 Assistant Professor of Obstetrics and Gynecology, Department of Obstetrics and Gynecology, the University of Modena, Italy

1982-1983 Visiting Research Fellow in the Department of Biochemistry and Obstetrics and Gynecology and the Cecil H. and Ida Green Center for Reproductive Biology Sciences, the University of Texas, Dallas, USA (with Prof. J. M. Johnston and P.C. MacDonald)

1983-1993 Professor of Prenatal Medicine, Postgraduate School of Obstetrics and Gynaecology, the University of Chieti, Italy

1985 Honorary Consultant, Institute of Obstetrics and Gynaecology, Hammersmith Hospital, London, UK

1992 -2004 Head of Obstetrics, Institute of Gynecology, Obstetrics and Pediatrics, University of Perugia, Italy

1996 -2002 Coordinator of the Perinatal and Reproductive Medicine Centre, University of Perugia, Italy

from 2002 Director of the Perinatal and Reproductive Medicine Centre, University of Perugia, Italy

2003 - 2016 Dean of the Faculty of Obstetrics and Midwifery, University of Perugia, Italy

from 2004 Chairman of the Dept. of Obstetrics and Gynecology at the University of Perugia.

TEACHING EXPERIENCE

- 1975-1978 Teacher and Tutor, School of Midwifery and Nursing, Department of Obstetrics and Gynaecology, University of Messina, Italy
- 1979-1983 Lecturer and Tutor, Postgraduate School of Obstetrics and Gynaecology, University of Modena
- 1983-1998 Graduate Teacher, Postgraduate School of Obstetrics and Gynaecology, Department of Obstetrics and Gynaecology, Universities of Chieti and Perugia
- 1991 - 2008 Professor of Prenatal Medicine, Postgraduate School of Clinical Biochemistry, University of Perugia.
- 1992 - 1998 Member, Collegium of Professors, Italian PhD Programme on Perinatology, Universities of Rome and Perugia.
- 1983- 1996 Founder and Co-director of the International School of Perinatal Medicine, "Ettore Majorana Centre", Erice, Italy.
- 1992 - Professor of Prenatal Medicine and of Obstetrics and Gynecology, University of Perugia, Italy.
- 1993 - Professor and tutor, School of Midwifery, University of Perugia, Italy.
- 1996-2000 Member, Commission of Bioethics, National Research Council, Italy
- 1998 - 2004 Promotor and Teacher of the International Board Certification in Fetal Medicine, King's College, London, UK.
- 2000-2001 Visiting professor at the Department of Obstetrics and Gynecology, New York Medical Center, New York, USA.
- from 2000 - Member and teacher of the Board of the Postgraduate School of Oncology, University of Perugia
- 2000 - 2010 Member, Commission of Bioethics, University of Perugia
- 2002-2010 Member of the Board and Professor at the Postgraduate School of Clinical Biochemistry, University of Perugia.
- from 2002 Member of the Board and professor of Postgraduate School of Physical Medicine and Rehabilitation, University of Perugia.

from 2002	Member of The Board of the Spanish School of Ultrasound in Obstetrics and Gynecology
2003-2007	Dean of the Faculty of Obstetrics and Midwifery, University of Perugia, Italy
from 2004	Member and teacher of the Board of Postgraduate School of Obstetrics and Gynecology, University of Perugia
2004 - 2006	Visiting Professor and External Examiner at the Winthrop University, Long Island, New York, USA
2004 - 2012	Faculty professor and external examiner at Kuwait University, Faculty of Medicine, Kuwait City
2004 - 2008	Chairman, PhD programme in Perinatology, University of Perugia
2010-	Member, Collegium of Professors, PhD Programme on Molecular Biology, University of Perugia

RESEARCH INTERESTS

1. Prenatal diagnosis
2. Perinatal organization
3. Fetal lung maturation and prevention of RDS
4. Preterm labour
5. Prostaglandins and parturition
6. Fetal Monitoring, US and Doppler technology
7. Obstetric-gynecologic endocrinology
8. Monoclonal antibodies and gynecologic malignancies
9. Maternal-fetal-neonatal transmission of AIDS
10. Reproductive medicine and multiple pregnancies
11. 3D printing in medicine

PROFESSIONAL SOCIETIES

NATIONAL

Italian Society of Obstetrics and Gynecology (1977-)
Italian Association of University Gynecologists (AGUI, 1998 - , member of the Executive Board 2006-2010)
Italian Study Group on Cardiotocography (Member, 1978-1990)
Italian Society of Ultrasound in Obstetrics and Gynecology (member of the Executive Board 2000-2002, President 2003-2005)
Italian Society of Perinatal Medicine (General Secretary 1983-1988; Member Executive Board 1988-1994)
Italian Study Group on New Technologies in Obstetrics and Gynaecology (Chairman, 1984-1995)
Italian Society of Psychosomatic Obstetrics-Gynecology (1985-2000)
Italian Study Group on Audit and Evaluation (Chairman, 1991-1997)
Italian Society of Bioethics (Executive Board, 1996-2004)

EUROPEAN

Societe' Francaise de Ginecologie et Obstetrique (1981-2000)

Russian Society of Perinatal Medicine (2010 -)
Tatarstan Obstetrics and Gynecology Society (2010 -)
Fellow ad eundem of the Royal College of Obstetricians and Gynaecologists (FRCOG), London (2011)
Hon Fellow of the American College of Obstetrics and Gynecology (FACOG) (2012)
Hon Fellow of the Indian College of Obstetrics and Gynaecology (FICOG) (2016)

AWARDS

Stiftelsen Blanceflor Boncompagni Ludovisi fellow (twice, 1977-1979)
Fullbright-Hayes fellow (1979)

Societa' Italiana di Ginecologia ed Ostetricia (best PhD thesis 1979)
NATO Senior fellowship (1984)
Maratea Children's Prize, Italy (1994)
Gold medal - "C.L.Mukherjee" memorial, Bengal Society of Ob/Gyn, India (1995)
1st Prize for Scientific Research, Corradi Foundation, Italy (1998)
Doctor Honoris Causa, Purkinje University, Praga (2004)
Diploma Golden Fortune of the International Academy of Ukraine (2006)
William Liley Medal, Society Fetus as a Patient (2006)
Honorary Memory Lecture Society of Obstetrics and Gynecology, India (2007)
Allang Chang Visiting Professorship, Hong Kong (2007)
Doctor Honoris Causa, University of Athens (2008)
Doctor Honoris Causa, University of Cluj Napoca, Romania (2008)
Maternité Prize, European Association of Perinatal Medicine, Istanbul (2008)
Honorary Professor, the State University of Moscow (2010)
Honorary Professor, Faculty of Medicine, University of Buenos Aires, Argentina (2010)
Honorary Professor, Cornell University of New York (2010- 2014)
Honorary Professor, Faculty of Medicine the Siberian University of Tomsk, Russia (2011)
Honorary Professor, Faculty of Medicine, University of Kuwait City, Kuwait (2011)
Honorary Professor the International University of Dubrovnik (Croatia, 2011)
Honorary Professor the University of Serbia in Belgrade (2011)
Honorary Professor, Kansas City University Medical Centre (2011-)
Honorary Professor the University of Moldova in Chisinau (2012)
Doctor Honoris Causa, University of St Petersburg, Ott Institute, Russia (2014)
Honorary Professor, Kuban State University of Krasnodar, Russia (2014)
Honorary Professor, Catholic University of Porto Alegre (Brazil, 2015)
Honorary Professor, Moscow Institute of Physics and Technology, State University (2015)

MAJOR RESEARCH GRANTS

1. National Council of Research (CNR),Italy. Programme project "Fetal lung maturation: prevention of newborn RDS", G.C. Di Renzo, Principal investigator, (1988-1992) € 29,400 per year.
2. National Council of Research (CNR) Italy, Programme project "Prevention of preterm labour, G.C. Di Renzo, co- investigator (1990-1994), € 33,000 per year.
3. National Council of Research, Italy. Programme project "Evaluation of safety and new advances in hormonal contraception", G.C. Di Renzo, Principal investigator (1990-1995) € 29,400 per year
4. National Council of Research, Italy. Programme project "Monoclonal antibodies for trophoblastic malignancies", G.C. Di Renzo, Principal investigator (1984-1989) € 18,400 per year
5. National Council of Research, Italy. Programme project "Control of pain during labour ", G.C.Di Renzo, Principal investigator, (1984-1989) € 25,700 per year
6. Ministry of Public Instruction. Programme project of national interest: "Surfactant replacement for prevention of RDS" G.C. Di Renzo, co-investigator, (1989-1992) € 36,700 per year
7. National Council of Research, Italy. Programme project of "Prevention of osteoporosis in menopausal women", G.C. Di Renzo, Principal investigator, (1990-1995) € 29,400 per year
8. Italian Ministry of Health, Programme on "Maternal-fetal transmission of AIDS" Principal investigator (1990 -1992) € 29,400 per year.
9. European Union Concerted Action Project on "European Programme of Occupational Risks and Pregnancy Outcome" (EUROPOP), Project leader (1994-1997) € 88,000 per year.
10. National Council of Research, Italy. Programme project on "Telemedicine in maternal infant care", Project leader (1995-1998), € 22,000 per year.
11. European Union Concerted Action Project on "European Perinatal Transport Systems" (EUROPET), Project Co-leader (1996-1999) € 95,500 per year.
12. Multicentric European Research "Dissemination of a knowledge based system for determining appropriate intervention during labour based on qualified analysis of the fetal electrocardiogram", FECG, Project co-leader, (1999-2004), € 150,000 per year
13. Special Non-Invasive Advances in Foetal and Neonatal Evaluation Network (SAFE), Project member (2004-), € 130,000 per year
14. New methodology for non invasive prenatal diagnosis. Project leader. National Health System, € 200,000 (2008-2013)
15. New markers of gestational diabetes. Project leader. Cassa di Risparmio Foundation, € 55,000 (2010-2011)

16. A new method of prenatal diagnosis: The SAFE test, € 300,000 (USA, 2011-2012)
17. NIPT test development (funded by Ariosa and Natera, USA) € 200,000 (2014-2016)

INVITED LECTURES AT INTERNATIONAL CONGRESSES

Prof. Di Renzo has so far been invited to more than 1300 national and international congresses and courses in 105 countries . Most relevant are listed here:

International Symposium on "Pathophysiology of amniotic fluid", Modena, March 1981

International Symposium on Clinical Pharmacology, Pisa, November 1981

"Congres National de la Societe Francaise de Gynecologie et Obstetrique", Amiens, France, October 1981

Second European Congress on Menopause, Ostende, Belgium, June 1981

International Symposium on "The Surfactant System of the Lung ", Rome, March, 1983

Second European Congress of Obstetric Anaesthesia and Analgesia, Rome, April 1983

EEC Meeting on "Pregnancy at risk", Perugia, October 1983

31st Meeting of the Society for Gynecologic Investigation, San Francisco, March 1984

International Congress on "Controversies in Perinatal Medicine", Assisi, May 1984

4th World Congress on Hypertension in Pregnancy, Amsterdam, June 1984

Italian-Brazilian Seminar of Obstetrics and Gynecology, Campinas, Sao Paulo, Brazil, December 1984

International Symposium on " Prevention of fetal lung immaturity ", Milan, April 1985

Postgraduate Courses in Obstetrics and Gynaecology, University of London at Hammersmith Hospital, London, September 1985

11th World Congress of Obstetrics and Gynecology, Berlin West, September 1985

Foundation Meeting of the European Association of Gynecologists and Obstetricians, Royal College, London, June 1986

4th European Congress of Obstetric Analgesia and Anaesthesia, Dublin, Ireland, June 1986

5th World Congress on Hypertension in Pregnancy, Nottingham UK, July 1986

10th European Congress of Perinatal Medicine, Leipzig, Germany, August 1986

International Workshop on "Surfactant replacement", Mantua, Italy, May 1987

International Neonatal Intensive Care Collegium, Porto Conte, Sardinia, Italy, June 1987

3rd International Congress on "The Fetus as a Patient", Matsue Japan, July 1987

International Congress on "Medical Informatics Europe", Rome, September 1987

International Congress "Pain and reproduction", Modena, Italy, October 1987

1st International Congress of Gynecological Endocrinology, Crans Montana (Switzerland), March 1988

XI European Congress of Perinatal Medicine, Rome, April 1988

Italy - USA International Symposium on "Perinatal Biology", Rome, April 1988

3rd Meeting of the European Association of Gynaecologists and Obstetricians, Nijmegen, The Netherlands, July 1988

5th Asia-Oceania Congress of Perinatology, Bali (Indonesia), July 1988

4th International Congress "The Fetus as a Patient" Bari, Italy, September 1988

XII FIGO Congress, Rio de Janeiro, October 1988

3rd International Course on "Recent Advances in Perinatal Medicine" "Ettore Majorana Centre" Erice, Italy, April 1989

International Meeting on "Recent Advances in Perinatology", Dubrovnik, Jugoslavia, June 1989

4th Meeting of the European Association of Gynecologists and Obstetricians (EAGO), Cracow, Poland, September 1989

4th European Congress of "Maternal and Neonatal Care" Bruges, Belgium, September 1989

International Symposium: "Surfactant in clinical practice", Parma, June 1990

International Course "Ultrasound in Obstetrics and Gynecology", Dubrovnik (Croatia), July 1990

International Congress "Stress and reproduction", Modena, November 1990

XII European Congress of Perinatal Medicine, Lyon (France), September 1990

22nd Congress of Pathophysiology of pregnancy, Budapest (Hungary) June 1990.

1st World Congress of the International Society for Ultrasound in Obstetrics and Gynecology, London (UK), January 1991.

2nd Winter Conference in Obstetrics and Gynecology, Madonna di Campiglio (Italy), February, 1991.

International Symposium on "Perinatal Surveillance", Kusadasi- Aydin (Turkey), March, 1991.

International Congress on "Rationale use of high medical technology in Perinatal Medicine", Dubrovnik (Croatia), May, 1991.

3rd International Symposium on "Pregnant uterus", Debrecen (Hungary), May 1991.

6th Congress of the European Association of Gynecologists and Obstetricians, Moscow (USSR), June 1991.

XIII World Congress of Obstetrics and Gynecology (FIGO), Singapore, September 1991.

1st International Congress of Perinatal Medicine, Tokyo, Japan, November 1991.

1° European Course on "Avances en Diagnostico Prenatal", Barcelona, Spain, November 1991.

Grand Rounds, University of Alabama, Birmingham, USA, March 1992.

EEC Meeting "Perinatal Surveillance", Amsterdam, March 1992.

II Turku-Hellenik Symposium on "Maternal/Fetal Medicine and Molecular Pathology", Antalya, Turkey, June 1992.

VII European Congress of Obstetrics and Gynaecology, Helsinki, Finland, June-July 1992.

2nd World Congress of Ultrasound in Obstetrics and Gynaecology, Bonn, Germany, June-July 1992.

1st European Congress of Gynecologic Endoscopy, Clermont- Ferrand, France, September 1992.

International Congress "Fetus as a Patient", Oulu, Finland, September 1992.

8th World Congress on Hypertension in Pregnancy, Buenos Aires, Argentina, November 1992.

Winter School on Perinatal Medicine "Pathophysiology of Respiratory System in Fetus and Newborn", Wisla, Poland, March 1993.

International Symposium on "The significance of pH and blood gas measurements in maternal-fetal medicine", Zürich, Switzerland, March 1993.

Meeting of the French Society for the Study of Hypertension, Paris, France, May 1993

IX International Congress "The Fetus as a Patient", Fuji-Yoshida, Japan, November-December 1993.

Symposium on "Savoir pour agir: initiatives en perinatalite", Paris, France, December 1993.

1st French-Israelian-Italian Gynecological Conference, Eilat, Israel, March 1994

3rd Italian-Hungarian Meeting on Obstetrics and Gynecology, Debrecen, Hungary, April 1994.

International Symposium on "Neonatal Intensive Care", San Remo, Italy, May 1994

International Symposium on "The Fetus as a Patient", Brijuni, Croatia, June 1994.

XIV European Congress of Perinatal Medicine, Helsinki, Finland, June 1994.

International Course "Meet the Experts in Perinatology", Genoa, Italy, June 1994.

First World Congress on Labour and Delivery, Jerusalem, Israel, July 1994.

14th World Congress of Gynecology and Obstetrics, Montreal, Canada, September 1994.

European Bioethics Conference, Pecs, Hungary, October, 1994.

Fourth World Congress on Ultrasound in Obstetrics and Gynecology, Budapest, Hungary, October 1994.

XXI International Symposium on "Advances in Perinatal Medicine", Barcelona, Spain, December 1994.

“Présentation des politiques régionale de transports périnatal”, Institut d’Etudes des Politiques de Santé, Paris, December, 1994.

IV Winter School on Perinatal Medicine, Wisla, Poland, February, 1995.

Grand Rounds, Mount Sinai Medical Center, New York, USA, March 1995.

2nd International Symposium on Diabetes and Pregnancy in the 90’s, Jerusalem, Israel, March 1995.

3rd International Symposium on "Medicina Perinatal", Sao Paulo, Brazil, April 1995.

International Course in Perinatal Medicine, Guayaquil, Ecuador, April 1995.

Journees Parisiennes de Gynecologie “L’evaluation en Gynecologie”, Paris, France, June 1995.

Congress on Hypertension in Pregnancy, Bombay, India, October 1995.

8th International Postgraduate Course "The Fetus as a Patient", Bali, Indonesia, October 1995.

Centenary of Pinard, Hôpital Port Royal, Paris, October 1995.

27th International Congress on "Pathophysiology of Pregnancy", Manila, Philippines, November 1995.

International Congress on Perinatology, Porto, Portugal, November 1995.

5th World Congress on Ultrasound in Obstetrics and Gynecology, Kyoto, Japan, November 1995.

Advanced Course on European University Certificate of Gynecologic Operative Endoscopy, Clermont-Ferrand, France, January 1996.

16th Annual Meeting of Society of Perinatal Obstetrician, Hawaii, USA, February 1996.

Fourth International course ISUOG on "Antenatal prevention of lung immaturity", Bormio, Italy, February 1996.

5th International Course on "Recent Advances in Perinatal Medicine" "Ettore Majorana Centre" Erice, Italy, March 1996

1st International Symposium on "Advances in the assessment of fetal and neonatal brain development", Zagreb, Croatia, April 1996.

5th National Perinatology Congress, Ankara, Turkey, April, 1996.

9th Panhellenic Perinatal Congress, Athens, Greece, April, 1996.

XII International Congress "The Fetus as a Patient", Grado (Trieste), Italy, May 1996.

11th International Symposium of Intensive Neonatal Therapy, Sanremo, Italy, June 1996.

11th Congress of European Association of Gynaecologists and Obstetricians, Budapest, Hungary, June 1996.

Nitric Oxide in Obstetrics & Gynaecology, Recent Developments, London, UK, June 1996.

X Jubilee International Workshop on Multiple Pregnancy, Zakopane, Poland, September 1996.

XV European Congress of Perinatal Medicine, Glasgow, Scotland, September, 1996.

Festal Congress to Celebrate the 100th Anniversary of the Hungarian Society of Obstetrics and Gynecology, Budapest, Hungary, October 1996.

Lebanese European Seminar of Perinatal Medicine, Beirut, Lebanon, October 1996.

3rd World Congress of Perinatal Medicine, San Francisco, October 1996.

Sixth World Congress on Ultrasound in Obstetrics and Gynecology, Rotterdam, The Netherlands, October 1996.

2nd International Meeting on Practical Obstetrics, Montecarlo, France, November 1996.

PAP Symposium and 6th Annual Convention, Mandaluyong City, The Philippines, November 1996.

8th Indonesian Society of Ultrasound in Medicine (ISUM), Jakarta, Indonesia, November 1996.

Symposium on “Prevention and management of anaemia in pregnancy and post-partum haemorrhage”, Zurich, Switzerland, December 1996.

Departmental Grand Rounds on “Nitric Oxide donors in prenatal medicine”, New York, USA, March 1997.

Scientific Meeting of the Catalan Society of Obstetrics and Gynecology”, Barcelona, Spain, April 1997.

Perinatal Meeting, Porto, Portugal, April, 1997.

International Congress of Ostetrical Ultrasound and chromosopatia, Naples, Italy, April 1997.

2nd World Congress on Labor and delivery, Rome, Italy, May 1997.

International Conference on “The Embryo”, Naples, Italy, May 1997.

10th International Course “Fetus as a Patient”, Prague, Czech Republic, May 1997.

XXIV Spanish Congress of Obstetrics and Gynecology, Marbella, Spain, June, 1997.

XII International Congress “The Fetus as a patient”, Basel, Switzerland, June, 1997.

“Ultrasound screening for fetal anomalies” at New York Academy of Sciences, New York, USA, June, 1997.

12th Annual EAGO Congress, Dublin, Ireland, June, 1997.

International Meeting on “Advances in Perinatal Medicine”, Zagreb, Croatia, July, 1997.

International Course on “Kangaroo Mother Care”, Centro ettore Majorana, Erice, Italy, July 1997.

XV FIGO World Congress of Obstetrics and Gynecology, Copenhagen, Denmark, August, 1997.

XXII Argentine Congress of Gynecology and Obstetrics, Buenos Aires, Argentina, September 1997.

Vith National Congress of the Indonesian Society for Perinatology (Perinasia) and International Symposium, Manado, Indonesia, September 1997.

International Congress on “Nitric Oxide in Reproductive and Perinatal Medicine, Genoa, Italy, September 1997.

Second Conference of the Romanian Association of Perinatal Medicine, Cluj Napoca, Romania, October 1997.

29th Congress on Pathophysiology of Pregnancy, Hakone, Japan, October 1997.

XII Ecuadorian Congress of Gynecology and Obstetrics, Cuenca, Ecuador, October 1997.

International Conference on “Preterm Birth: etiology, mechanisms and prevention”, Charleston, South Carolina, USA; October 1997.

7th World Congress on Ultrasound in Obstetrics and Gynecology”, Washington, USA, October 1997.

IV Yugoslavian Congress of Perinatal Medicine, Beograd, Yugoslavia, November 1997.

Meeting on “Hot Topics in Perinatology”, Poznan, Poland, January 1998.

First International Symposium “New Technologies in Reproductive Medicine, Neonatology and Gynecology”, Folgaria, Italy, March 1998.

Second Postgraduate Course “The Fetus as a Patient”, Sarajevo, Bosnia Herzegovina, April 1998.

International Cogress on Ultrasound in Obstetrics and Gynecology, Istanbul, Turkey, April 1998.

Third International Symposium on “Diabetes and Pregnancy”, Rome, Italy, April 1998.

XIV International Congress “The Fetus as a patient”, Amsterdam, the Netherlands, May 1998.

Summer Course of the European School of Perinatal Medicine, Dubrovnik, Croatia, June 1998.

XVI European Congress of Perinatal Medicine, Zagreb, Croatia, June 1998.

Fifth Congress of the European Society of Contraception, Prague, Czech republic, June 1998.

Forum on “Advanced ultrasound in fetal medicine”, Athens, Greece, June, 1998.

6th International Course on Recent Advances in Perinatal Medicine”, Centro Ettore Majorana, Erice, Italy, July 1998.

Conference on “The problem with prematurity”, London, UK, September, 1998.

International Congress on Perinatal Endocrinology, Siena, Italy, September 1998.

13th Postgraduate Course in Critical Care Medicine, Trieste, Italy, November 1998.

European Consensus and meeting on Doppler technology in Perinatal Medicine, Barcelona, Spain, November 1998.

Second European Meeting on Doppler Technology in Perinatal Medicine, Barcelona, Spain, November 1998.

XXV International Symposium on Perinatal Medicine, Barcelona, Spain, November 1998.

Seminar on “Recent advances in Perinatal Medicine” at Hellenic Society of Perinatal Medicine, Athens, Greece, December 1998.

Women’s health in the 2000: from reproduction to menopause, Rome, Italy, December 1998.

Congress of the American Society for Maternal Fetal Medicine, San Francisco, USA; January 1999.

Interamerican Congress of Pediatrics, Mexico City, Mexico, January 1999.

Workshop on Pulse Oximetry, Barcelona, Spain, February 1999.

Cervical Assessment Course, London, UK, February 1999.

VII Winter School on Perinatal Medicine, Zermatt, Switzerland, March 1999.

Workshop on “Intrapartum monitoring”, Santiago de Chile, Chile, April 1999.

4th World Congress of Perinatal Medicine, Buenos Aires, Argentina, April 1999.

Annual Meeting “Fetus as a patient”, New York, USA, April 1999.

10th World Congress on Human Reproduction, Bahia, Brazil, May 1999.

First Russian Course of the European Association of Perinatal Medicine, St. Petersburg, Russia, May 1999.

XXV Spanish Congress of Gynecology and Obstetrics, Zaragoza, Spain, June 1999.

ISIS, Stockholm, Sweden, June 1999.

Vith European Symposium on Psychosomatic Obstetrics and Gynecology, Bergamo, Italy, June 1999.

Symposium on “Cardiotocography and new techniques for intrapartum surveillance”, Athens, Greece, June 1999.

XII International Workshop On Multiple Pregnancy, Assisi, Italy, June 1999.

7th International Course on Recent Advances in Perinatal Medicine, Erice, Italy, July 1999.

5th Hellenic-Turkish Scientific meeting on Materno-Fetal Medicine and Obstetrics & Reproductive Sciences, Olympia, Greece, September 1999

Course of the Fetal Medicine Foundation, London, UK, September 1999

Summer Course of the European School of Perinatal Medicine, Dubrovnik, Croatia, September 1999

2nd International Congress on New Technologies in Reproductive Medicine, Neonatology and Gynecology, Porto Conte (Sardinia), Italy, September 1999

Second Congress of Neonatology, Cordoba, Argentina, September 1999

Second International Congress on Controversies in Obstetrics and Gynecology, Modena, Italy, September 1999

VII European Congress of Infections in Obstetrics and Gynaecology, Istanbul, Turkey, October 1999

Annual Meeting of the Finnish Perinatal Society, Kuopio, Finland, October 1999

3rd National Conference of Perinatal Medicine, Timisoara, Romania, October 1999

International Meeting on Antimicrobial Chemotherapy in Clinical Practice, Portofino, Italy, October 1999

International Congress “Fetus as a patient”, Fiuggi, Rome, Italy, 2-5 April 2000

‘Millenium Gulf International Congress in Obstetrics and Gynecology’, Jeddah, Saudi Arabia, May 2000

Summer Maternal Fetal Medicine Division Meetings, University of New York, August 2000

XVI FIGO World Congress, Washington, USA, September 2000

3rd International Congress on New Technologies in Reproductive Medicine, Neonatology, Obstetrics and Gynecology’, Tel Aviv, Israel, September 2000

International Symposium on Perinatal and Neonatal Developmental Medicine “Very Low Birth Weight / Extremely Low Birth Weight Infant: Delivery and Initial Care”, Prague, Czech Republic, november 2000

XVII International Congress ‘The Fetus as a Patient’, Pattaya City, Thailand, April 2001

1st Joint Lebanese-Italian Symposium, Beirut, Lebanon, April 2001

16^o European Congress of Obstetrics and Gynaecology (EAGO-EBCOG), Malmö, Sweden, June 2001

10th International Congress on Twin Studies, London, UK, July 2001

International meeting ‘The Fetus as a Patient’, Ioannina, Greece, September 2001

5th World Congress of Perinatal Medicine, Barcelona, Spain, September 2001

1st Italian Spanish joint Meeting on Ultrasound, Madrid, Spain, November 2001

2nd Congress of the Hellenic Society of Maternal-Fetal Medicine, Thessaloniki, Greece, April 2002

XVIII International Congress ‘The fetus as a patient, Budapest, Hungary, April 2002

17^o European Congress of Obstetrics and Gynecology (EAGO/EBCOG), Prague, Czech Republic, May 2002

1st Mediterranean Workshop on Perinatal Epidemiology, Genoa, Italy, May 2002

International Meeting of The Fetal Medicine Foundation, London, UK, August 2002

II World Congress of Perinatal Medicine for Developing Countries, Antalya, Turkey, October 2002

20^o International Symposium on Neonatal Intensive Care, Milan, Italy, November 2002

Annual Meeting of the Society of Maternal Fetal Medicine, San Francisco, USA, January 2003

4th Congress on Controversies in Obstetrics Gynecology and Infertility, Berlin, Germany, April 2003

XIX International Congress “Fetus as a Patient”, Barcelona, Spain, May 2003

Second World Congress in Fetal Medicine, Lisbon, Portugal, June 2003

19th Annual Meeting of the European Society of Human Reproduction and Embryology, Madrid, Spain, July 2003

13th World Congress on Ultrasound in Obstetrics and Gynecology, Paris, France, September 2003

6th World Congress of Perinatal Medicine, Osaka, Japan, September 2003

International Congress of Perinatal Medicine, Cluji-Napoca, Romania, October 2003

XVII FIGO World Congress of Gynecology and Obstetrics, Santiago, Chile, November 2003

Fetomaternal Medicine Meeting, Jakarta, Indonesia, February 2004

11th World Congress of Gynecological Endocrinology, Florence, Italy, February 2004

3°International Symposium on Diabetes and Pregnancy, Assisi, Perugia, March 2004

3rd Hot Topics of Perinatal Medicine Symposium, Czarniejewo, Poland, April 2004

XX International Congress “The fetus as a patient”, Fukuoka, Japan, April 2004

55° Nestlé Nutrition Workshop Pediatric Programme, Beijing, China, April 2004

2° World Congress of the World Association of Reproductive Medicine, Rome, Italy, May 2004

14th Annual Scientific meeting of Indonesian Society of Obstetrics and Gynecology, Jakarta, Indonesia, July 2004

2° International Preterm labour Congress, Montreux, Switzerland, September 2004

4° Congress of Ultrasound in Gynaecology, Perinatal and Reproductive Medicine, Belgrade, Serbia, October 2004

VII International Meeting “In utero stem cell transplantation: new frontiers in regenerative therapy”, Rome, Italy, October 2004

Asian Pacific Congress on Controversies in Obstetrics, Gynecology and Infertility, Bangkok, Thailand, November 2004

1st Arabian Perinatology Conference, Cairo, Egypt, January 2005

Meeting of the New York Society of Ob/Gyn, New York, USA, February 2005

1st International Symposium on Fetal Behaviour, Barcelona, Spain, February 2005

12th World Congress on Human Reproduction, Venice, Italy, March 2005

10° Ulusal Perinatoloji Kongresi- Congress & International Workshop on Multiple Pregnancy, Istanbul, Turkey, April 2005

7th World Congress on Controversies in Obstetrics Gynecology and Infertility, Athens, Greece, April 2005

XXI International Congress of the Society “The Fetus as a patient”, Buenos Aires, Argentina, April 2005

International Forum on Birth, Rome, June 2005

7th World Congress of Perinatal Medicine, Zagreb, Croatia, September 2005

International Experts Meeting “New Trends in Prenatal and Perinatal Medicine, Tbilisi, Georgia, October 2005

1st International Meeting of the Society for Gynecologic Investigation, Siena, Italy, November 2005

Meeting of the Society for Maternal Fetal Medicine, Miami, USA, February 2006

1st World Congress on Gender Specific Medicine, Berlin, Germany, February 2006

12th World Congress of Gynecological Endocrinology, Florence, Italy, March 2006

19th European Congress of Obstetrics and Gynaecology, Turin, Italy, April 2006

3rd International Preterm Labour Congress, Montreaux, Switzerland, April 2006

XXth European Congress of Perinatal Medicine, Praga, Czech Republic, May 2006

XXII International Congress “The fetus as a patient”, Poznań, Poland, June 2006

5th World Congress in Fetal Medicine, Barcelona, Spain, June 2006

12th Ukrainian Congress of Obstetricians and Gynecologists, Donetsk, Ukraine, September 2006

22nd International Symposium on Neonatal Intensive Care, Milan, Italy, October 2006

International Diabetes Conference, Kuwait City, Kuwait, November 2006

9th World Congress of the International Association of Maternal and Neonatal Health, Cairo, Egypt, November 2006

XVIII Figo World Congress of Gynecology and Obstetrics, Kuala Lumpur, Malaysia, November 2006

XXXIII International Symposium Dexeus Institute “The Great Challenges of the Present”, Barcelona, Spain, November 2006

Annual Meeting of the Society for Maternal Fetal Medicine, San Francisco, USA, February 2007

13th World Congress of Gynecological Endocrinology, Florence, Italy, March 2007

14th National Congress of Perinatal Medicine, Athens, Greece, March 2007

XXIII International Congress of the “Fetus as a Patient” International Society, Manila, Philippines, March 2007

9th World Congress on Controversies in Obstetrics, Gynecology and Infertility (COGI), Barcelona, Spain, March 2007

4th International Symposium on Diabetes and Pregnancy, Istanbul, Turkey, March 2007

Belgian Congress of Obstetrics and Gynecology, Brussels, Belgium, May 2007

XXV Jornadas de Obstetricia y Ginecologia, Buenos Aires, Argentina, July 2007

13th Annual Meeting of the Korean Society of Obstetrics and Gynecology, Seoul, Korea, July 2007

16th World Congress on Human Reproduction, Berlin, Germany, March 2015

67th Annual Congress of Japan Society of Obstetrics & Gynecology (JSOG), Yokohama, Japan, April 2015

FIGO/RANZCOG Educational Seminar, Melbourne, Australia, May 2015

Pre-Congress Workshop 3 “Ultrasound in Obstetrics and Gynaecology”, and the 24th Asian & Oceanic Congress of Obstetrics & Gynaecology – ACOG 2015, Sarawak, Malesia, June 2015

31st International Congress “Fetus as a Patient”, St. Petersburg, Russia, June 2015

VII Simposio Internacional de Ginecologia, Obstetricia e Mastologia, Gramado, Brazil, July 2015

FOGSI International Conference on Pregnancy in high risk patients, Hyderabad, India, July 2015

1st Congress of Joint European Neonatal Societies (JENS), Budapest, Hungary

XXI FIGO World Congress of Gynecology and Obstetrics, Vancouver, Canada, October 2015

18th Congress of the Hellenic Society of Perinatal Medicine, Athens, Greece, October 2015

11° Congress of the European Society of Gynecology, Praga, Czech Republic, October 2015

Annual Clinical Meeting, Mexican Society of Obstetrics and Gynecology; Acapulco, Mexico, November 2015

The Philippine Obstetrics and Gynecology Society Congress, Manila, Philippines, November 2015

11th Asia Pacific Congress in Maternal Fetal Medicine, Taipei, Taiwan, November 2015

59th All India Congress of Obstetrics and Gynaecology, Agra, India, January 2016

17th World Congress of Gynecological Endocrinology, Florence, Italia, March 2016

6th National Conference of Chinese Neonatologist Association, Beijing, China, March 2016

International Forum on “Birth”, Beijing, China, April 2016

National Congress of Obstetricians and Gynecologists, SPOG 2016, Panama City, Panama, April 2016

16th Vietnam-France-Asia-Pacific Conference on Obstetrics & Gynecology, Ho Chi Minh City, Vietnam, May 2016

XXXIV Congreso Internacional de Obstetricia y Ginecologia, Buenos Aires, Argentina, June 2016

XXV European Congress on Perinatal Medicine, Maastricht, Netherlands, June 2016

22nd IFFS World Congress, Delhi, India, September 2016

12th Asian Pacific Congress in Maternal Fetal Medicine, Penang, Malaysia, October 2016

20th International Annual Congress of Lebanese Society of Obstetrics & Gynecology (LSOG), Beirut, Lebanon, October 2016

Speaker, chairman and President of the Global Congress on Maternal Infant Health, Florence, Italia, November 2016

67° Congreso Mexicano de Ginecologia y Obstetricia, Simposio Simultaneo, Mérida, Mexico, November 2016

67° Congreso Mexicano de Ginecologia y Obstetricia, Conferencia magistral “Alfonso Alvarez Bravo”. Federacion Internacional de Ginecologia y Obstetricia – FIGO” Mérida, Mexico, November 2016

24th World Congress on Controversies in Obstetrics, Gynecology & Infertility (COGI), Amsterdam, The Netherlands, November 2016

15th Symposium of the Cambodian Society of Gynecology & Obstetrics, Phnom Penh, Cambodia, November 2016

19th Congress of the Federation of Asia and Oceania Perinatal Societies (FAOPS), Taipei, China, December 2016

2nd Debatable Topics in Obstetrics, Gynecology and Infertility Congress (DТОGI), Teheran, Iran, February 2017

1st World Congress of Anesthesia for Obstetrics, Bali, Indonesia, February 2017

21st International Scientific Conference “Perinatology in Siberia: achievements and challenges”, Kemerovo, Russia, April 2017

17th Vietnam-France-Asia Pacific Conference on Ob/Gyn, Ho Chi Minh City, Vietnam, May 2017

3rd European Congress “Intrapartum Care- Making Birth Safer”, Stockholm, Sweden, May 2017

IV Congress “Controversies in Modern Obstetrics”, St. Petersburg, Russia, June 2017

VII Simpósio Internacional de Ginecologia, Obstetricia e Mastologia e V Simpósio Internacional Fertilidade, Gramado, Brazil, July 2017

SCIENTIFIC INVITATIONS

1983 *Visiting researcher*, Departamento de Tocoginecologia, University of Campinas, SP, Brazil.

Visiting researcher Department of Internal Medicine, University of Marburg, W. Germany.

1984 *Visiting researcher* Department of Obstetrics & Gynecology, Free University, Amsterdam, NL

Visiting researcher Department of Obstetrics & Gynaecology University of Aberdeen (Scotland).

Visiting researcher Department of Obstetrics & Gynecology University of Kyoto, Japan

Visiting researcher Department of Biochemistry, University of Dallas, Texas, USA

Visiting researcher Department of Pediatrics, Albert Einstein College of Medicine, New York.

- Visiting professor* "Harris Birth-Right Research Centre" King's College Hospital, London, UK
- 1985 *Visiting professor* Institute of Obstetrics and Gynaecology, Hammersmith Hospital, University of London, UK
- Visiting professor* Department of Obstetrics and Gynaecology, King's College Hospital, London, UK
- 1986 *Visiting professor* Department of Pediatrics, Pulmonary Division and Research Centre, Schneider Children's Hospital di New York.
- Visiting professor* Department of Obstetrics and Gynaecology University of Kyoto, Japan
- 1987 *Visiting scientist* "Laboratory of Molecular Biology" Upjohn Co, Kalamazoo, USA
- 1988 *Visiting professor* Department of Obstetrics and Gynecology University of Singapore.
- 1989 *Visiting professor* Research Institute on Perinatology, University of Western Ontario, London, Canada.
- Visiting scientist* Family Health Division, WHO, Geneva, Switzerland.
- 1990 *Visiting professor* Department of Obstetrics and Gynecology, University of Puerto Rico, USA.
- Visiting professor* Division Endocrinology and Metabolism, Washington University, St. Louis, USA
- 1991 *Visiting professor* Department of Obstetrics and Gynecology, University of Debrecen, Hungary
- Visiting professor* 1st Department of Obstetrics and Gynecology, 1st Hospital, Hanoi, Vietnam
- 1992 *Visiting professor* Department of Obstetrics and Gynecology, Northwestern University, Chicago, USA.
- 1993 *Visiting professor* Department of Perinatal Health, Chinese Medical Council, Beijing, P.R. China
- 1995 *Visiting professor* Margulies Foundation, Buenos Aires, Argentina and the University of Guayaquil, Ecuador.
- 1998 *Visiting professor* International Board Certification in Fetal Medicine (King's College, Londra).

- 2000-2002 *Visiting professor* Department of Obstetrics and Gynecology, New York Medical Center, New York, USA
- 2001 *Visiting professor* Maternal-Fetal Hospital District of Guangzhou, PR China
- 2002 *Visiting professor* Department of Obstetrics and Gynecology of Shanghai University, PR China
- 2003 *Visiting professor* Department of Obstetrics and Gynecology at Santa Cruz de la Sierra University, Bolivia
- 2004 *Visiting professor* and External Examiner Winthrop University, Long Island, New York, USA.
Visiting professor at the Faculty of Medicine of Kuwait University, Kuwait City
- 2005 *External examiner* at the Faculty of Medicine of Kuwait University, Kuwait City
Visiting professor Weill Cornell Medical Centre, New York, USA
- 2006 *External examiner and Visiting Professor* University of Kuwait, Kuwait City
- 2007 *Visiting Professor*, 1st University Maternity Hospital, Shanghai, PR China
Visiting Professor, University of Missouri, Columbia, USA
Visiting Professor, University of Kansas City, USA
Allang Chang *Visiting Professor*, Chinese University, Hong Kong
- 2008-2010 *Visiting Professor*, University of Qatar, Doha
- 2008-2014 *Visiting Professor*, Cornell University, New York, USA
- 2009 *Visiting Professor*, Kansas City University, USA
Visiting Professor, Montreal University, Canada
Visiting Professor, Kuwait University, Kuwait City
- 2010 *Visiting Professor*, Kansas City University, USA

ORGANIZATION OF COURSES AND CONGRESSES

Professor Di Renzo has organised more than 80 international congresses and more than 100 national congresses, meetings and courses.

International Symposium on "Pathophysiology of amniotic fluid", Modena, March, 1981

EEC Meeting on "High risk pregnancy", Perugia, October 1983

International Congress on "Controversies in Perinatal Medicine", Assisi, May-June, 1984

International Workshop on "New frontiers of prenatal diagnosis", Perugia, June 1984

Meeting on "Contraception: an update", Perugia, October 1984

1st International Course on "Recent advances in Perinatal Medicine", Ettore Majorana Centre, Erice, December 1984

International Congress on "Perinatal Hypertension", Gubbio, Italy, December 1984

1st National Congress of the Italian Society of Perinatal Medicine, Salsomaggiore, Parma, June 1985

International Multidisciplinary Course on "Laboratory techniques in Perinatology", Perugia, October 1985

2nd International Course on "Recent Advances in Perinatal Medicine", Ettore Majorana Centre, Erice, Sicily, November 1986

2nd National Congress of the Italian Society of Perinatal Medicine, Perugia, May 1987

2nd International Symposium on "Perinatal Hypertension", Spoleto May 1987

Postgraduate Course in Ultrasonography in Obstetrics and Gynecology, Perugia, October 1987

National Meeting on "Menopause", Perugia, October 1987

XI European Congress of Perinatal Medicine, Rome, April 1988

Italy-USA Symposium on "Perinatal Biology", Rome, April 1988

3rd International Course on "Recent Advances in Perinatal Medicine" Ettore Majorana Centre, Erice, April 1989

2nd International Symposium on "Prevention and Treatment of Respiratory Distress Syndrome", Perugia, November 1989

7th World Congress on "Hypertension in Pregnancy", Perugia, 7-11 October 1990

1st FIGO Course "Ultrasound and Doppler technology in Obstetrics and Gynecology", Elba Island, April 1991

4th International Course on "Recent Advances in Perinatal Medicine", Ettore Majorana Centre, Erice, April 1991

XIII European Congress of Perinatal Medicine, Amsterdam, 12-15 May 1992

VII European Congress of Obstetrics and Gynaecology, Helsinki, Finland, 28-30 June 1992

International Multidisciplinary Workshop on "Evolution of the Meaning of Sexual Intercourse in the Human", Caprarola, Italy, 19-21 October 1992

Multidisciplinary Symposium on "Bioetica nella Ricerca e nella Società", Rome, 22-24 October 1992

International Workshop: "Recent Advances in Perinatal Medicine", Rome, 14-15 December 1992

1st Postgraduate Course "Hands-on on Ultrasound and Doppler technology in Obstetrics and Gynecology" , Rome 1-3 April 1993

2nd World Congress of Perinatal Medicine, Rome, 19-24 September 1993

Refresher Course on Obstetrics, Neonatology and Pediatrics, Maratea, Italy, 29-31 October 1993.

International Symposium on "The Prevention of Fetal Distress: New Aspects of Perinatal Medicine", Santa Margherita Ligure, Italy, 11-13 November 1993.

2nd Postgraduate Course "Hands-on on Ultrasound and Doppler Technology in Obstetrics and Gynecology" , Rome, Italy 2-4 March 1994.

3rd Italian-Hungarian Meeting on Obstetrics and Gynecology, Debrecen, Hungary, 22-24 April 1994.

XIV European Congress of Perinatal Medicine, Helsinki, Finland, 5-8 June 1994.

Multidisciplinary Course on "Bioethics of Human Experimentation", Rome, Italy, 16-18 June 1994.

International Course "Meet the Experts in Perinatology", Genoa, Italy, 20-21 June 1994.

Four Pediatric Days in Maratea, Maratea, Italy, 22-25 June 1994.

Course on "HIV in maternal-infant medicine", Perugia, Italy, 9 September 1994.

5th International Course on "Recent Advances in Perinatal Medicine", Erice, Sicily, Italy, 20-25 November 1994.

3rd Post-Graduate Course "Hands-on on Ultrasound and Doppler Technology in Obstetrics and Gynecology", Rome, Italy, March 1995.

International Symposium on Perinatal Medicine and Human Reproduction “The Place for New Technologies”, Rome, Italy, June 1995.

Basic Courses on Obstetric and Gynecological Ultrasound Techniques, Perugia, February and October, 1995 and 1996.

European Union Project EUROPOP meeting, Porto, Portugal, November, 1995.

Course on "Resuscitation in delivery room and in the neonatal Intensive care", Perugia, Italy, December 1995.

Monothematic Meetings in Gynecology and Obstetrics, Umbria, Italy, November 1995 - June 1996.

5th International Course on "Recent Advances in Perinatal Medicine", Erice, Sicily, Italy, 3-8 March, 1996.

XIV European Congress of Perinatal Medicine, Glasgow, Scotland, 10-13 September 1996.

II World Congress on “Labor and Delivery”, Rome, Italy, 5-7 May 1997.

International Workshop on “Kangaroo Care”, Centro Ettore Majorana, Erice, Italy, 12-14 July 1997.

Final meeting of the European Union Project EUROPOP, Genoa, Italy, 22-24 September 1997.

International Congress on Nitric Oxide in Reproductive and Perinatal Medicine, Genoa, Italy, 25-27 September 1997.

International Congress on Diabetes and Pregnancy, Rome, Italy, 27-29 April 1998.

First Summer Course of European School of Perinatal Medicine, Dubrovnik, Croatia, 1-7 June 1998.

XVI European Congress of Perinatal Medicine, Zagreb, Croatia, 10-13 June 1998.

XII International Workshop on Multiple Pregnancy, Assisi, Italy, 24-27 June, 1998.

Postgraduate Training Courses “Grand round lectures”, Perugia, Italy, February - June, 1995, 1996, 1997, 1998 and 1999.

First Winter Course of European School of Perinatal Medicine, Ortisei – St. Ulrich, Italy, 22-29 January 2000.

XVI International Congress ‘Fetus as a Patient’, Fiuggi, Italy, 2-5 April 2000.

17th Congress of the European Association on Perinatal Medicine (EAPM), Porto, Portugal, June 2000

8th Winter School in Perinatal Medicine, Zermatt, Switzerland, April 2001

1st Joint Lebanese Italian Symposium, Beirut, Lebanon, April 2001

National Congress of Obstetrics and Gynecology, Perugia, Italy, 2002

National Congress of Ultrasound in Obstetrics and Gynecology, Gubbio, Italy, 2002

XVIII European Congress of Perinatal Medicine, Oslo, Norway, June 2002

3rd International Symposium on Diabetes and Pregnancy, Assisi, Italy, March 2004

19th European Congress of Obstetrics and Gynaecology (EBCOG), Athens, Greece, May 2004

2nd International Preterm Labour Congress, Montreux, Switzerland, September 2004

XIX European Congress of Perinatal Medicine, Athens, Greece, October 2004

1st International Forum on Birth, organized with Prof. Roberto Romero, from NIH-NICHD - Rome, Italy, June 2005

3rd International Preterm Labour Congress, Montreaux, Switzerland, April 2006

XX European Congress of Perinatal Medicine, Prague, Czech Republic, May 2006

4th International Symposium on Diabetes and Pregnancy, Istanbul, Turkey, March 2007

8th World Congress of Perinatal Medicine, Florence, Italy, September 2007

Ferring Obstetrics Forum on Preterm Labour, Amsterdam, The Netherlands, October 2008

5th International Symposium on Diabetes and Pregnancy, Sorrento, Italy, March 2009

1st World Congress on Twin Pregnancy, Venice, Italy, April 2009

XXII European Congress of Perinatal Medicine, Granada, Spain, May 2010

6th International Symposium on Diabetes and Pregnancy, Salzburg, Austria, March 2011

XXVII Fetus as a Patient Congress, Taormina, Italy, May 2011

7th Meeting of International Academy of Perinatal Medicine and International Symposium on Multiple Pregnancy, Athens, Greece, September 2011

2nd International Forum on Birth- Clinical challenges in labour and delivery, Chicago, USA, September 2011

10th World Congress of the International Association of Maternal and Neonatal Health (IAMANEH), Rome, Italy, December 2011

2nd World Congress on Twin Pregnancy and 14th Congress of the International Society of Twin Studies (ISTS), Florence, Italy, April 2012

XXIII European Congress of Perinatal Medicine, Paris, France, June 2012

XI World Congress of Perinatal Medicine, Moscow, Russia, June 2013

XXIV European Congress of Perinatal Medicine, Florence, Italy, June 2014

1st International Congress of the "International Society of Chocolate, Cocoa and Medicine" (ISCHOM), Florence, Italy, September 2014

3rd World Congress on Twin Pregnancy and 15th Congress of the International Society of Twin Studies (ISTS), Budapest, Hungary, 2014

3rd International Forum on Birth- Clinical challenges in labour and delivery, Fortaleza, Brazil, March 2015

2nd International Congress of the "International Society of Chocolate, Cocoa and Medicine" (ISCHOM), Barcelona, Spain, 2015

4th International Forum on Birth- Clinical challenges in labour and delivery, Beijing, China, April 2016

Expert tour of the European- Chinese Perinatal and Reproductive Network, China, 2016 (previous editions in 2010-2011-2012-2013-2015)

Global Conference on "Maternal Infant Health", WHO- FIGO, Florence- Rome, Italy, 2016

1st World Congress in Maternal Fetal and Neonatal Medicine, London, UK, 2017

International Symposium on Diabetes and Pregnancy, Barcelona, Spain, 2017

4th World Congress on Twin Pregnancy and 15th Congress of the International Society of Twin Studies (ISTS), Madrid, Spain, November 2017

5th International Forum on Birth- Clinical challenges in labour and delivery, Venice, Italy, 2018

2nd World Congress in Maternal Fetal and Neonatal Medicine, 2019

EDITORSHIP

1975-1978 Attualità di Ostetricia e Ginecologia - Editor

- 1978-1985 Attualità di Ostetricia e Ginecologia - Member of the Editorial Board
- 1979 - 1990 Editor of the Italian Edition of the "Clinical Obstetrics and Gynecology", Piccin Ed., Padua
- 1986-1991 Associate Editor of "Reviews in Perinatal Medicine" (Chief Editors: E.M. Scarpelli, E.V. Cosmi), Alan Liss, New York.
- from 1988 Member of the Editorial Board of "Progresos en Diagnostico Prenatal" (Spain).
- from 1988 Corresponding Editor of "Journal of Obstetrics and Gynaecology" (London, UK)
- 1989 - 1991 Associate Editor of the journal "New Trends in Gestational and Perinatal Hypertension" (CIC International, Rome, Italy)
- 1991-1997 Member of the Editorial Board of "European OB/GYN Today" (Amsterdam, NL)
- 1991-1997 Editor of "Journal of Perinatal Medicine" (De Gruyter, Berlin, Germany)
- 1991 -2000 Editor of the Quarterly Review "Progressi Clinici in Ostetricia e Ginecologia" for Piccin Ed. Padua, Italy
- 1992-1997 Member of the Editorial Board of the Journal of Fetal Medicine (Poland)
- from 1992 Member of the Editorial Board of the "Giornale Italiano di Ginecologia ed Ostetricia" (CIC International)
- from 1992 Member of the Editorial Board of the European Journal of Obstetrics, Gynecology, Biology of Reproduction (Elsevier, Amsterdam, NL)
- 1992-1997 Editor of the International Journal "Search Practice in Obstetrics and Gynecology" (Buganor Intl., Almere, NL)
- 1993-1997 Member of the Editorial Board of the Year Book "Continuing Education in Obstetrics and Gynecology" (TSI, London, UK)
- from 1996 Editor-in-Chief of the "Journal of Fetal Maternal and Neonatal Medicine" (formerly "Prenatal and Neonatal Medicine") – Taylor and Francis, London (Impact Factor 2016: 1.86)**
- from 1996 Member of the Editorial Board of "Folia Clinica en Obstetricia Ginecologia", Barcelona, Spain.
- from 1996 Member of the Editorial Board of the "Archives of Perinatal Medicine" (Karger, Basel).
- from 1999 Corresponding Editor of the **American Journal of Obstetrics and Gynecology** (Elsevier pbl., USA) (IF:5.5 in 2016)

- from 2000 Member of the Editorial Board of the journal “Progresos en Obstetricia y Ginecologia”, SEGO, Spain
- from 2000 Member of the Editorial Board of the journal “Archives of Perinatal Medicine” of the Polish Society of Perinatal Medicine.
- from 2003 Member of the Editorial Board of the Lebanese Medical Journal
- from 2003 Member of the Editorial Board of Fetal Diagnosis and Therapy
- from 2004 Member of the journal “Rivista Italiana di Ginecologia e Ostetricia”, Bologna, Italy
- from 2004 Member of the Research Board of Advisors of the American Biographical Institute
- from 2005 Member of the Editorial Board of Perinatal Journal (Turkish Perinatal Society)
- 2005 - 2009 Associate Editor of the European Clinics in Obstetrics and Gynaecology (Amsterdam, The Netherlands)
- from 2007 Member Editorial Board, Journal of Perinatal Medicine (De Gruyter, Berlin)
- from 2018 Member Editorial Board Rossiysky Vestnik of Obstetricion- Gynaecologist
- dal 2018 Editor in Chief of “Maternal Fetal Medicine”, chinese journal in English

Editor of the quarterly review "La Clinica Ostetrica e Ginecologica" for Piccin, Padua: he has edited 10 years and 40 volumes.

Editor of "Progressi Clinici in Ginecologia ed Ostetricia" for Piccin Padua, he has edited for 4 years for a total of 24 volumes.

Video "Fetal anatomy", Bugamor Pbl, NL.

1990-92 Participated in the task force of WHO for the preparation of the manual "Detecting pre-eclampsia: a practical guide" (R. Guidotti and D. Jobson Eds.). WHO/MCH/MSM/92.3. p. 46, Geneva, Switzerland.

from 1995 Referee of the international journals: Ostetricia e Ginecologia, Medicina Perinatale e Medicina della Riproduzione, PNAS, Lancet, New England Journal of Medicine, Obstetrics and Gynecology, American Journal of Obstetrics and Gynecology, British Journal of Obstetrics and Gynaecology, Fertility and Sterility, Journal of Perinatal Medicine, European Journal of Obstetrics and Gynecology, Ultrasound in Obstetrics and Gynecology, Diabetes and Metabolism, Journal of Obstetrics and Gynecology, Gynecology Endocrinology, International Journal of Gynecology and Obstetrics, Fetal Diagnosis and Therapy, European Clinics in Obstetrics and Gynecology, Biomed, Reproductive Health, BMC Pregnancy and Childbirth, Neonatology (formerly known as Biology of the Neonate), Diabetes Care, Journal

of the Southern Medical Association, Obstetrics and Gynecology International, Archives of Gynecology and Obstetrics, Reproductive Sciences, JAMA, etc.

MISCELLANEA

Graduated in “History of music”, “Music composition” and “Pipe organ” at Conservatorio “ Dall’Abaco” of Verona he was chapel master and organist of the Cathedral of San Giorgio in Verona from 1968 to 1975 and he also performed several concerts in various part of Italy. He has also published various papers on historical organs and organ music.

Hobbies: Winner of the 1st prize of the National Contention of Poetry “Il Golfo” in 2007, he has published three books of poems: “The wings of the soul” (D.R. Ed, 2006), “The set of the moon” (Ibiskos, 2007) and “ I viaggi di Doctor G” (Albeggi, 2015).

He published the following books: “La violenza sessuale: un viaggio attraverso miti, stereotipi e realtà” (with G. Oscari, Aracne ed, Rome, 2007, 260 pag), “Olfatto e profumo tra storia, scienza e arte” and “Le declinazioni del gusto” (with M. Marchi, Aracne ed, Rome, 2011 e 2014) and “L’altra fisiognomica: dialoghi tra volto e anima” (De Angeli, 2017).

Book of Cartoons "Happy Birth", (European Congress of Perinatal Medicine, Amsterdam, 1992).

Languages: He speaks English, French and Spanish fluently. He also speaks Portuguese and understands German.

PUBLICATIONS

Prof. Di Renzo has published over **1300 papers** in italian and international journals. **Only papers published in international journals are listed here.**

- 404 papers in referred journals and chapters of international books
- 405 papers in national journals and chapters of books
- 400 abstracts presented at international and national meetings
- 14 book-translations
- 82 volumes edited or written books
