This book is an exercise in a thoroughgoing narrative theology. The social and legal validation of same-sex relationships in the West over the last two decades has presented an immense challenge to the church insofar as it seeks to remain faithful to Scripture. It's Time presents a series of short stories highlighting an important but neglected aspect of life. Serious illness and aging are dependable harbingers of life's end. For each of us, there comes a point when we must admit, it's time.
