the King James Version, which have been the standard in English for 4 centuries. And in terms of substance, the text is far worse. Then there is the revised text, which is based on the textual theory of Wescott and Hort, and is currently to be found in either the Nestle-Aland edition, or the United Bible Societies edition. The traditional text of the Greek New Testament is the text that the Church has actually used and preserved for the past 2,000 years, and is to be found in the vast majority of Greek manuscripts, and is reflected in the vast majority of ancient translations of the New Testament which in some cases originate from the time of the Apostles. The captain went up to Elijah, who was sitting on the top of a hill, and said to him, "Man of God, the king says, 'Come down!'" 10 Elijah answered the captain, "If I am a man of God, may fire come down from heaven and consume you and your fifty men!" The English Standard Version, completed this century, is a light revision of the 1971 Revised Standard Version. The sentences are shorter, and the language is more familiar, though not as easy to read as other contemporary translations, such as the New International Version. The translators had a wealth of manuscripts to guide them. Sometimes too much is claimed for both of these translations. The King James is based on the antioch text, whilst the ESV is from the corrupted alexandrian text. Different SOURCES. The publishers mislead people when they claim that the ESV is a "word-for-word translation" of the original Greek. What they DON'T tell people is that there is a raging debate over WHICH "original" Greek texts are trustworthy.

The Revised Standard Version (RSV) is a comprehensive revision of the King James Version, the Revised Version of 1881-1885, and the American Standard Version of 1901, published in stages around the middle of the 20th century. It aims to present a literally accurate translation of the Bible in modern English. The panel of scholars who worked on the translation used the 17th edition of the Nestle-Aland Greek text for the New Testament, and the traditional Hebrew Masoretic Text for the Old Testament. However, they amended the Hebrew in a number of places. In the Book of Isaiah, they sometimes follow The Revised Standard Version (RSV) is a modern and accurate English translation of the Bible, published in different stages: The New Testament in 1946 and the Old Testament in 1952. The New Revised Standard Version, Catholic Edition (NRSV-CE) is a translation of the Bible closely based on the New Revised Standard Version (NRSV) but including the deuterocanonical books and adapted for the use of Catholics with the approval of the Catholic Church. An Anglicized Text form of the NRSV-CE, embodying the preferences of users of British English, is also available from various publishers. The New Revised Standard Version (NRSV) of the Christian Bible is an English translation released in 1989. It is an updated revision of the Revised Standard Version, which was itself an update of the American Standard Version. When you stretch out your hands, I will hide my eyes from you; even though you make many prayers, I will not listen; your hands are full of blood. Wash yourselves; make yourselves clean; remove the evil of your doings.
