I think the problem in America is greater than the states of California and Texas. California is definitely one of the states with the most liberals congregated in one state, but there is a bigger problem. The population of the country living on t...Â There are large scale efforts of liberal socialists coming out of the woodwork in America, claiming that they are not loyal to this country and they are highly critical of it. There is a movement underfoot to eliminate ANY semblance of conservative values WHATSOEVER. They want to turn this country into a place akin to San Francisco; intolerant of the values of all society, liberal fiscal and social agendas, and no respect for the rights of others that are in opposition to their "party line". It is scary what this country is becoming! 39 views Â Answer requested by.
