Adoption can be very hard for children to understand, whether adopted or siblings. We have a list of great books for kids and parents to help.Â The Family Book: By Todd Parr (Author) The Family Book celebrates the love we feel for our families and all the different varieties they come in. Whether you have two moms or two dads, a big family or a small family, a clean family or a messy one, Todd Parr assures readers that no matter what kind of family you have, every family is special in its own unique way.

Adopted Books. In and Out of Central America. By Frank Vincent. New York: D. Appleton and Company, 1896. Adoption Type: Build the Collection Library: Smithsonian Tropical Research Institute Library. This book came to the Smithsonian Tropical Research Institute Library from the now defunct Panama Canal Zone Library, one of the most important libraries in Panama during the Canal Zone era. In this travel guide for Central America from 1890, Frank Vincent, a wealthy traveler, describes the route and recommendations for traveling from New York City, New York to San Francisco, California.
