and 2 reviews. Katie said: The topic tackled in Beryl Smalleys classic manages to be both too b

Bible translations in the Middle Ages discussions are rare in contrast to Late Antiquity, when the Bibles available to most Christians were in the local vernacular. In a process seen in many other religions, as languages changed, and in Western Europe languages with no tradition of being written down became dominant, the prevailing vernacular translations remained in place, despite gradually becoming sacred languages, incomprehensible to the majority of the population in many places. In Western Europe
