No markings in book. (The pink you see in the scan is from me cleaning my scan bed. I never had this happen before. I used glass cleaner with a soft cloth but for some reason, when I scan something now it leaves the pink streaks in the scan. I can't see anything on the scan bed that could be causing this, rest assured this isn't on the item)( If somebody knows what I did wrong and how I can fix this could you please send a note via the ask seller a question link).
