Free. The Acts of the Apostles, as it is known since the late second century, is the fifth book of the New Testament. Often referred to simply as Acts, it tells of the founding of the Christian church and the spread of its message. It is commonly believed to have been written by Luke the Evangelist, and to be the sequel to Gospel of Luke. This gospel and Acts are respectively the longest and second longest books of the New Testament. From the point where the gospel concludes, Acts carries the record of Acts of the Apostles : with notes, critical, explanatory, and practical, designed for both pastors and people. by. Cowles, Henry, 1803-1881.
