The term American Indians is defined by the indigenous peoples of the area that is now known as the United States. This means the people were living here for thousands of years, long before it was conquered and settled. Over the last many hundred years, the American Indians have formed tribes, hunted, lived, and prospered on this great land. They were overall a peaceful people who enjoyed family, prayer, and creativity. An appreciation and respect for nature was of the utmost importance. American Indians viewed nature as a gift from God which should be revered and treated properly at all times Southwest Indians for Kids. The Southwest Indian tribes of the United States include the Navajo, Apache, Hopi, and many more. Pueblo is not the name of a tribe. It is a Spanish word for village. The Pueblo People are the decedents of the Anasazi People. But to keep things straight, many historians use the year 1300 CE to make the switch from Anasazi People to Pueblo People. The Navajo and the Apache arrived in the southwest at about the same time, in the 1300's. They both raided the peaceful Pueblo tribes for food and other goods. Southwest Indians create many beautiful pieces of art. They make pottery, clothing and baskets that are still sold in stores and arts and craft shows. Because they are very spiritual tribes, most of their art contains symbols and signs of their beliefs, dreams, and visions. The pottery is for both every day use and display. The clothing they make can be anything from an outfit, such as a dress with gorgeous flowers on it, to a elaborately decorated headdress, full of feathers. The Zuni and Hopi Southwest Indians carved dolls, called Kachina dolls, out of wood. The dolls were decorated with mas

Stephen Trimble's *The People* is an excellent account of Southwestern Native American history and culture. Trimble outlines the history of the several groups inhabiting these three divisions of the Southwest: the Pueblo people, the Upland people, and the Desert people. His ten years of ethnographic field research have given him personal relationships with many Native Americans, allowing him to share the words and emotions of the people he studies. Trimble's well-taken photographs also add to the understanding the reader gains of the cultures of the Southwestern groups. This ethnograph

Facts about Southwest American Indian Tribes. The Indians of this region generally lived in a harsh and inhospitable environment. Most of the region is hot and rocky and receives very little rainfall. There are some forest in the higher elevations and a few river valleys. Most of the Indians of Southwest America including the Hopi, Yuam, and Zuni tribes were traditionally farmers and lived in permanent homes.Â One of the most famous Southwest Native Americans is Manuelito. This Navajo war chief led his people in fighting the U.S. government's efforts to relocate them to New Mexico. Perhaps the most famous Indian of this region was Geronimo. Born in 1829 he led numerous raids against Mexicans and Americans. Apache chiefs relied on his wisdom. He died in 1909 as a prisoner of war.
