Is the rags to riches dream still alive in America? Cruising along the suburban neighborhoods that make up America's wealthiest districts, it could definitely be argued that the answer is a solid yes. Gated communities with perfectly manicured lawns are fronting staggeringly huge mansions — the kinds of places where a 4-car garage and marbled pillar entrances are the norm. This Californian district caters nicely to the rich and famous, being both tucked away and conveniently close to Los Angeles and Hollywood. Justin Bieber, Jennifer Lopez, Will and Jada Pinkett-Smith, and Britney Spears have all lived in Calabasas. This Chicago suburb is consistently ranked as one of the most beautiful suburbs in America. *Children of Crisis : Privileged Ones: The Well-Off and Rich in America.* by Robert Coles.
