Woodrow Wilson, the 3rd Progressive. President.

The Progressive Era was a period of widespread social activism and political reform across the United States that spanned the 1890s to the 1920s. The main objectives of the Progressive movement were addressing problems caused by industrialization, urbanization, immigration, and political corruption. The movement primarily targeted political machines and their bosses. By taking down these corrupt representatives in office, a further means of direct democracy would be established. They also sought Our study guide for United States History: 1877 to 1912 is packed with student-friendly topic reviews that explain everything about U.S. History from 1877 to 1912.
