China has possibly the most bizarre, terribly tragic modern history of any country. The radical transformation in the last century has been littered with one disaster after another. The ignorance and arrogance of the leaders are clearly a major culprit, but one has to ask why such leaders (in particular, Mao Ze Dong) had such an influence? This question can only be answered by understanding the historical cultural context. John King Fairbank takes this challenge on in The Great Chinese Revolution.

absence of Chinese language or personnel, suggests that the Kangxi emperor was using the Manchu language as a deliberate end-run around his more conservative Han bureaucracy. The Yuan Empire's rule of Mongol tribes living around Lake Baikal was claimed by the Qing, who incited the defection of the Nerchinsk Onggut and Buryat Mongols away from the Russians.[9].[^] Fairbank, John K (1986), *The Great Chinese Revolution: 1800-1985*.
