John Steinbeck was an American novelist whose Pulitzer Prize-winning novel, *The Grapes of Wrath*, portrayed the plight of migrant workers during the Great Depression. Who Was John Steinbeck? John Ernst Steinbeck Jr. (February 27, 1902 to December 20, 1968) was a Nobel and Pulitzer Prize-winning American novelist and the author of *Of Mice and Men*, *The Grapes of Wrath* and *East of Eden*. Steinbeck dropped out of college and worked as a manual laborer before achieving success as a writer. John Steinbeck was born in Salinas in 1902, in a stately home on Central Ave (now open as a popular luncheon spot). During his childhood, Salinas had a population of about 5000, was the county seat of Monterey County, and a trading and shipping center for the lower Salinas Valley.Â The National Steinbeck Center, a museum and cultural center in downtown Salinas, pays tribute to his life and lasting impact on American letters and on American identity.

Copyright John Steinbeck, 1937. Copyright renewed by John Steinbeck, 1965. A few miles south of Soledad, the Salinas River drops in close to the hillside bank and runs deep and green. The water is warm too, for it has slipped twinkling over the yellow sands in the sunlight before reaching the narrow pool.
