Consider, for example, the domain of science on the one hand, the domain of politics and religion on the other. Thinking in terms of, and acting in response to, one set of symbols, we have come, in some small measure, to understand and control the elementary forces of nature. Thinking in terms of and acting in response to, another set of symbols, we use these forces as instruments of mass murder and collective suicide. This clarity is not to be organized, for it cannot. The First And Last Freedom. 3. Jiddu Krishnamurti. The First and Last Freedom is a book by 20th-century Indian philosopher Jiddu Krishnamurti (1895–1986). Originally published 1954 with a comprehensive foreword by Aldous Huxley, it was instrumental in broadening Krishnamurti's audience and exposing his ideas. It was one of the first Krishnamurti titles in the world of mainstream, commercial publishing, where its success helped establish him as a viable author. The book also established a format frequently used in later Krishnamurti publications, in Freedom First is a not-for-profit credit union with assets of over \$500M located in the Roanoke & New River Valleys.
