G. Claey's., "The French Revolution Debate in Britain: The Origins of Modern Politics" (New York, 2007). - Burk insisted that the problem with France that the Revolution posed the threat of a new form of tyranny, that of a democracy fuelled, like a new religion, by its own sense of infallibility p13 : "I hate it most of all where most are concerned in it. The tyranny of a multitude is a multiplied tyranny." 1 - The reflection argues that France in the hands of the revolutionaries was analogous to a madman or highway man, lacking in government and possessing "liberty" only in the wild and anarchic state.
