Urban Sustainability and Governance: New Challengers in Nordic-Baltic Housing Policies

By Arild Holt-Jensen, Eric Pollock

Nova Science Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Urban Sustainability and Governance: New Challenges in Nordic-Baltic Housing Policies, Arild Holt-Jensen, Eric Pollock, Urban sustainability and governance in relation to housing trends and policies is the focus of this book written by leading Nordic and Baltic housing researchers. The empirical examples are from the Baltic transition economies and the Nordic welfare states. For a number of reasons it is, however, of interest for outside this region. Firstly, the global challenges of sustainable development and planning, presented in the theoretical section, are clarified and given a deeper practical meaning through the empirical chapters. The contrasts between the post-socialist Baltic states and the social-democrat Nordic countries are in this context of special value. Secondly, the general challenges facing the post-socialist states are demonstrated in the housing development and policies evolving since 1991, as these integrate both social, economic and environmental issues. Thirdly, the book illustrates how path dependencies and former legacies influence present developments, which, contrary to common beliefs, differ between the 5 Nordic and the 3 Baltic states. It is crucial reading for students and actors in planning and housing in the Baltic and Nordic states. The Nordic countries developed its...
