The Animation Book: A Complete Guide to Animated Filmmaking--From Flip-Books to Sound Cartoons to D Animation [Paperback]. The Animation Book has lots of information on stop frame, and traditional animation. The Animation Book has lots of information on stop frame, 3D and traditional animation. It's a good resource if your starting out or just need some ideas. See more. Cracking Animation: The Aardman Book of 3-D Animation teaches fundamental techniques for creating your own stop motion animated film. This book does not touch upon traditional 3D rendering but it does cover a lot of the technology used in the movie Chicken Run along with the Wallace and Gromit cartoons. This is valuable to animators who want a wider breadth of options for their animation work. In the updated version of this book youâ€™ll find expanded interviews with other animators and directors that worked on related 3D animated films. They share tips and tricks for aspiring animators who want
