Disrupt rituals and break summoning circles. Harper Windle. This new Cult seems desperate for information. They're looking for a barbarian named Cruven Gantara so they can find a portal to some island. They have no idea where Cruven is buried, so they are trying to speak with the spirit of one of his dead adventuring companions, Belast Messandar. They know Messandar is buried in Neverdeath, but don't know the exact location, so they are summoning up the spirits of any dead merchant who might have been a common pirate phrase, meaning once someone is dead, they can no longer communicate, hence killing someone is the best way to keep him/her quiet. A standard pirate excuse for leaving no survivors. "For the Tokyo version of the attraction, we found out that instead of saying, 'Dead men tell no tales,' the ghost voice was saying, 'There is no mouth on a dead person.' Well, that doesn't make sense, that wasn't what we were trying to do. There's no Japanese equivalent of 'Dead Men Do Tell Tales, please sign up. Be the first to ask a question about Dead Men Do Tell Tales. Lists with This Book. Forensics: If It Doesn't Walk, We Bring Out the Chalk.' He's about the same age as William M. Bass, best known for Death's Acre: Inside the Legendary Forensic Lab the Body Farm Where the Dead Do Tell Tales. I found Bass more enjoyable to read, although no more interesting. Neither can top Mary Roach in Stiff: The Curious Lives of Human Cadavers, but they have their moments & get into areas she didn't touch on. Maples tends to be (write?) a bit pompous, although A very interesting account of Maples' career, thoughts, & more interesting cases.
